Waste disposal: The symbol of the crossed-out wheeled bin means that this appliance must not be disposed of with household waste at the end of its useful life. The appliance must be disposed of in specially set-up collection points, recycling yards or disposal companies. Retailers of electrical appliances with a sales area of at least 400 m² for electrical appliances and grocers with an area of 800 m², which offer electrical equipment several times a year, are obliged to take back electrical equipment. Return and disposal are free of charge for you. When you purchase a new device, you have the right to return a corresponding old device free of charge. Please delete all personal data before returning the appliance. Before returning, please remove the batteries or rechargeable batteries that are not enclosed by the old device, as well as lamps that can be removed without destruction, and dispose them to a separate collection.
