TEHOME GC00103 Mounting Template

Product Usage Instructions

- Paste the position map horizontally on the desired position for installation and mark it with a pencil.
- Drill two 1/8 pilot holes in the wall for each plate.
- Screw the plastic anchors into the holes until flush.
- Screw the screws into anchors until 1/4 inch from the wall.
- Avoid using commercial or abrasive cleaners. Use only a soft damp cloth to preserve the finish of the mirror.

FAQ

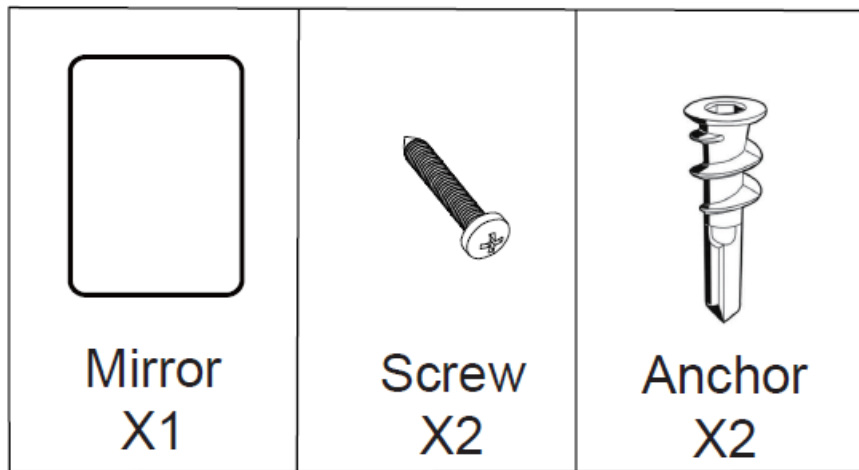

• Missing Parts

- If you are missing hardware, please check the red bag carefully packed within the styrofoam. If the parts are still missing, contact us for a replacement.

• Other Wall Types

- If you have a wall other than drywall, please consult your local hardware store for suitable mounting hardware.

Contents
