### Instruction manual Kitchen-Timer

Kat. № 38.1039/38.1040

Thank you for choosing this instrument from TFA.

#### 1. Before you use this product

- Please make sure you read the instruction manual carefully.
- Following and respecting the instructions in your manual will prevent damage to your instrument and loss of your statutory rights arising from defects due to incorrect use. We shall not be liable for any damage occurring as a result of non-following of these instructions.
- Please take particular note of the safety advice!
- Please keep this instruction manual safe for future reference.

#### 2. For your safety

- This product should only be used as described within these instructions. Unauthorized repairs, alterations or changes to the product are prohibited.

**Caution!**  
**Risk of injury:**

- Keep this instrument out of reach of children.
- **Warning:** Not recommended for children under 3 years – due to detachable small parts which could be swallowed. If a small part has been swallowed, get medical assistance immediately.

**Important information**  
**on product safety!**

- Do not expose the instrument to extreme temperatures, vibration or shock.
- Protect it from moisture.
- Clean it with a soft damp cloth. Do not use solvents or scouring agents.

### 3. Operation

- Turn the setting ring first to the left until it stops and then set the time you want.
- When the timer counted down an alarm will sound for 3 seconds.

### 4. Specifications
