thdstatic Flagpole

Product Information

Specifications:

- Material: Steel
- Height: Adjustable
- Usage: Outdoor flag display
- Includes: Flagpole base, middle pipe segment, stopper,clip

Product Usage Instructions

Installation:

1. Follow the enclosed installation instructions to insert the flagpole base into flat and stable ground.
2. Select and install the appropriate middle pipe segment according to your needs and adjust it to the desired height.
3. Secure the flag onto the flagpole using the stopper and clip to ensure it is firmly attached and won't fly away.

Usage:

Change the flag according to the season and holiday to add color to your garden.

Cleaning:

Regularly wipe the surface of the flagpole with a soft cloth to remove dust and dirt. Avoid using chemical cleaners or strong acids and alkalis to prevent damage to the coating.

Inspection:

Regularly check the stability of the flagpole base, and if there is any looseness, reinforce it promptly.

Storage:

If long-term storage is required, please dismantle the flagpole and store it properly in a dry and ventilated area.

Avoid direct sunlight and humid environments to prevent damage to the flagpole and coating.

Frequently Asked Questions

- **Q: Can the flagpole be left outside during all weather conditions?**
 - A: It is recommended to take down the flagpole during extreme weather conditions to prevent damage.
- **Q: How often should I change the flag on the pole?**
 - A: You can change the flag according to seasons or holidays to add variety and color to your garden.
