### thomann Magix Software

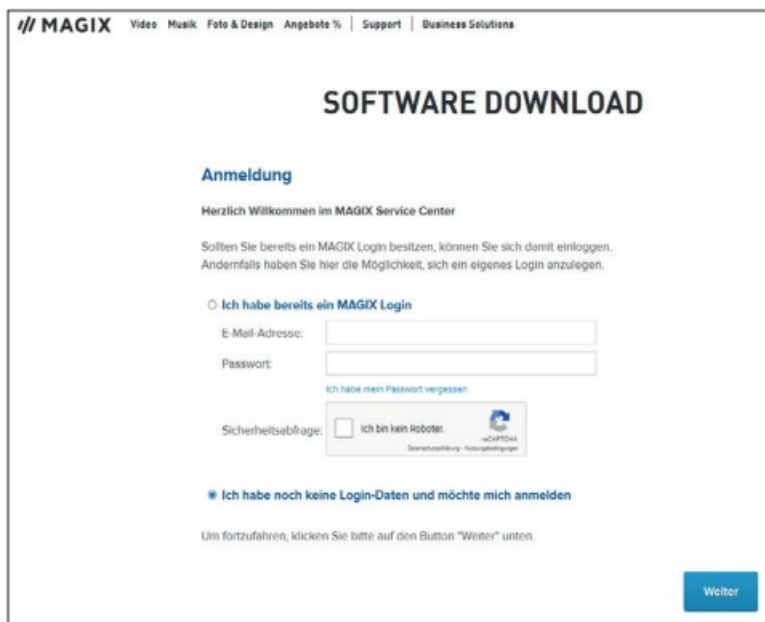

### Licensing and installation instructions

After you buy downloadable software from Thomann, we'll send you an e-mail containing an activation code and a link to the web page where you can redeem this code.

Usually, this is the software manufacturer's home page, and you'll have to set up your own customer account there so that a license can be assigned to you personally. You'll download your software directly from the manufacturer, too.

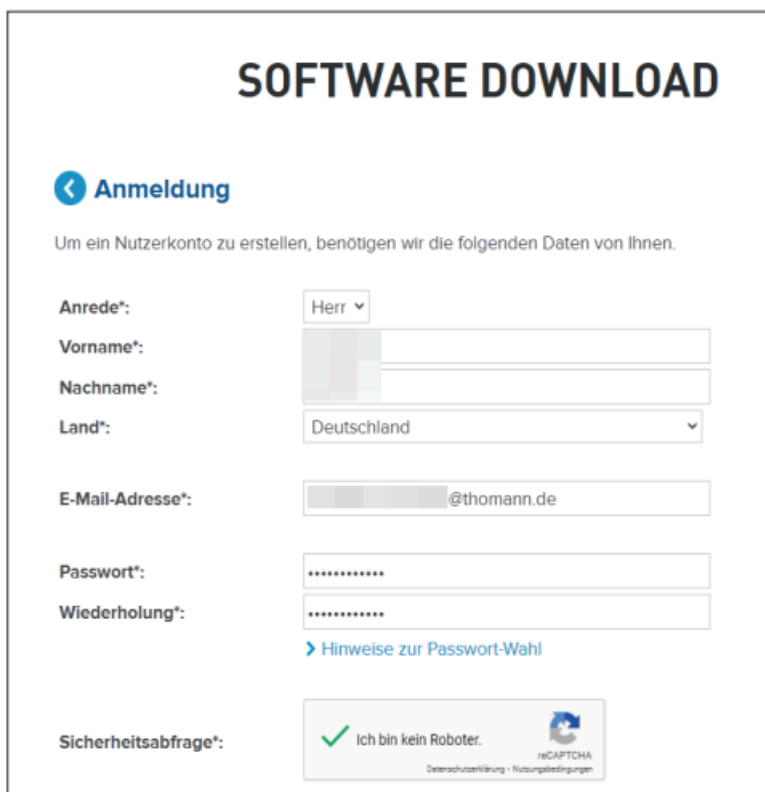

## Request activation code

Please navigate to this website to redeem your activation code <https://www.magix.com/redeem/>

The screenshot shows the 'SOFTWARE DOWNLOAD' page of the MAGIX website. At the top, there is a navigation bar with links for Video, Musik, Foto & Design, Angebote %, Support, and Business Solutions. The main heading is 'SOFTWARE DOWNLOAD'. Below it, the section is titled 'Anmeldung' (Login). A welcome message states: 'Herzlich Willkommen im MAGIX Service Center'. It then informs the user that if they already have a MAGIX Login, they can log in, or they can create a new login. There are two radio buttons: 'Ich habe bereits ein MAGIX Login' (selected) and 'Ich habe noch keine Login-Daten und möchte mich anmelden'. Below the first option are input fields for 'E-Mail-Adresse:' and 'Passwort:', with a link 'Ich habe mein Passwort vergessen'. Below the second option is a checkbox for 'Ich bin kein Roboter.' next to a reCAPTCHA widget. At the bottom, there is a blue button labeled 'Weiter'.

You can now log into your existing customer account or create a new customer account. To do so, choose the option "I don't have any login data and want to register" and then click "Proceed". In the next window, enter your data and click on "Next" again

The screenshot shows the 'SOFTWARE DOWNLOAD' page of the MAGIX website, specifically the registration section. The heading is 'SOFTWARE DOWNLOAD'. Below it, the section is titled 'Anmeldung' with a back arrow. A message states: 'Um ein Nutzerkonto zu erstellen, benötigen wir die folgenden Daten von Ihnen.' The form includes the following fields: 'Anrede\*' (dropdown menu with 'Herr' selected), 'Vorname\*' (text input), 'Nachname\*' (text input), 'Land\*' (dropdown menu with 'Deutschland' selected), 'E-Mail-Adresse\*' (text input with '@thomann.de' pre-filled), 'Passwort\*' (password input with masked characters), and 'Wiederholung\*' (password input with masked characters). There is a link 'Hinweise zur Passwort-Wahl' below the password fields. At the bottom, there is a checkbox for 'Ich bin kein Roboter.' next to a reCAPTCHA widget. A blue button labeled 'Weiter' is at the bottom right.

In the next step, please enter the activation code you have received from us by e-mail.
