14. Parking brake
15. Front wheel
16. Front wheel quick release skewer
17. Rear wheel
18. Rear wheel release button

WARNING

IMPORTANT – READ CAREFULLY AND KEEP FOR FUTURE REFERENCE. The child's safety may be affected if you do not follow these instructions.

Read the Safety manual for Thule Strollers before use and keep for future reference.

Maintenance

Keeping your Thule Glide 2 stroller clean and well maintained is an important factor in keeping it in good condition. Regularly inspect your stroller and accessories for damage and signs of wear:

- Check metal components for any dents or cracks. Do not use the stroller if any metal components are cracked or damaged.
- Check that no fasteners are bent, broken, missing or loose. Tighten any loose fasteners and replace any damaged or missing fasteners

- Examine the fabric regularly for tears, worn spots or any other signs of damage.

Clean the wheel axles and apply grease or oil to all exposed moving parts. Have the wheels inspected and serviced at least once a year. It is highly recommended that you take your child carrier into an authorized service provider once a year to keep it in the best possible condition.

- Regularly clean the child carrier with warm water and a mild soapy solution. Never use harsh cleansers or solvents.
- Store your stroller and accessories in a dry area out of direct sunlight. Before storing your stroller, it should be dry to prevent the growth of mold or bacteria.

Warranty and replacement parts

Thule is dedicated to providing exceptional products that are quality tested and guaranteed against defects in materials and workmanship. For detailed information regarding Thule Guarantee and Thule Extended Warranty for Thule Strollers please check [Thule.com](https://www.thule.com).

Only replacement parts supplied or recommended by the manufacturer/distributor shall be used. Replacement parts are available for purchase at your local Thule dealer. You can find the closest Thule Dealer by using our dealer locator on [Thule.com](https://www.thule.com).

Contact

We are always interested to get your feedback and answer your questions on our products to make sure we give the best experience possible. Please contact our consumer service via support.thule.com or contact your local dealer.

Product Registration

Thank you for your purchase. Please register your product so we can contact you in the event of a safety alert or recall. Your information will not be used for any other purpose. To register your product, visit:
