Maximum Weight: <80 kg/176 lbs.
Temperature Interval at Usage: +50 up to +104 °F/+10 °C up to + 40 °C.
Temperature Interval at Storage: 0 up to 158 °F/-18 °C up to 70 °C.
Humidity: 20% up to 80% at 104 °F/40 °C.

Disposal and Recycling

The LAB-X should be disposed of separately from household waste. The LAB-X should be handed in for recycling in accordance with local environmental regulations for waste disposal. By separating the LAB-X from household waste, you will help reduce the

volume of waste sent to incinerators or landfills and minimize any potential negative impact on human health and the environment.

Warranty

Please prepare the following information before contacting the point of purchase or the local agent.

1. Invoice/receipt.
2. Photo of serial number starting with SN (can be found underneath the product).
3. Photos or videos of the product illustrating the problem/issue.
4. Photo of the complete product.

FAQs

Q: Can this desk support multiple monitors?

A: Yes, the desk is designed to support multiple monitors. Ensure you distribute the weight evenly.

Q: How do I adjust the motorized features of the desk?

A: Refer to the user manual for instructions on adjusting the motorized features of the desk.
