ticatag Lighter-100 Tracker on Cigar Lighter

Installation COMPLETE!

1. Insert the Lighter into the cigarette lighter/charger

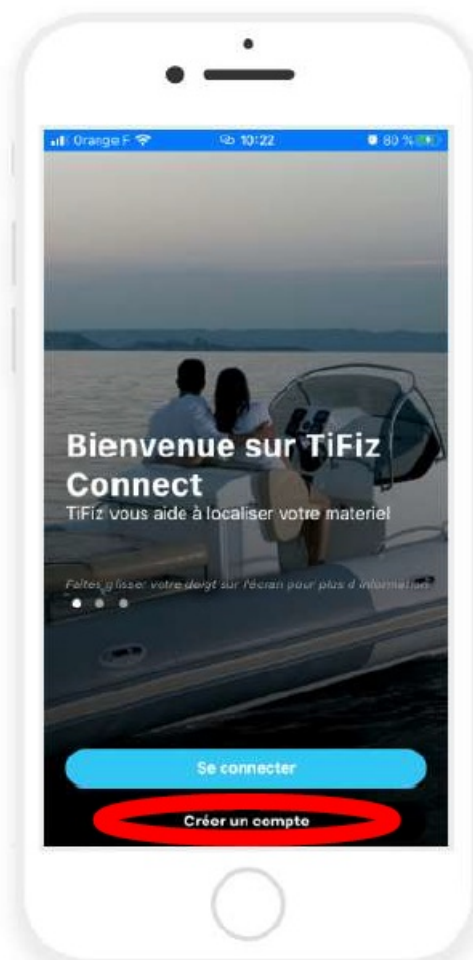

Start-up Guide

Download the mobile application

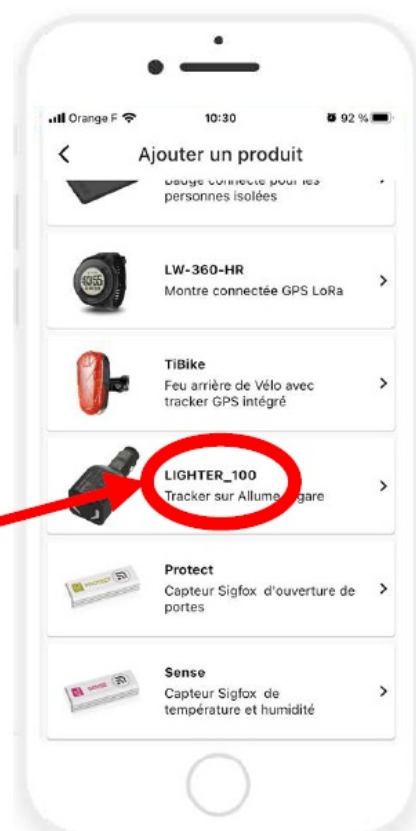

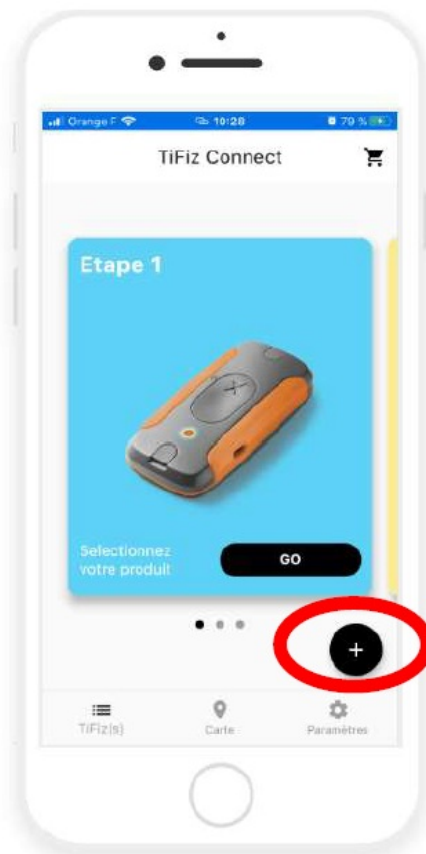

Your tag is installed in your vehicle ... you must now add it to your TICATAG account
Download the "Tifiz Connect" mobile application

Log in

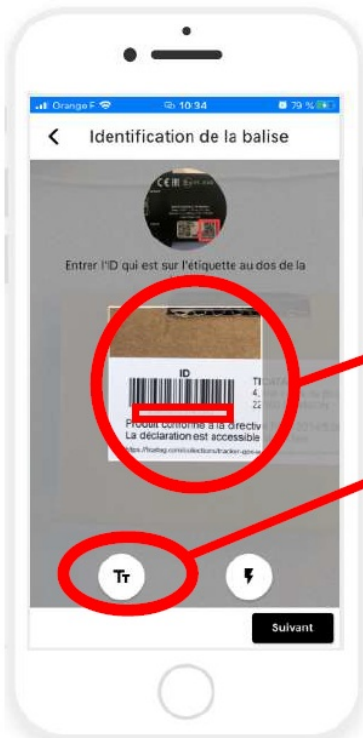

Or create an account if you do not have one.

Step 1 – Select ‘LIGHTER_100’

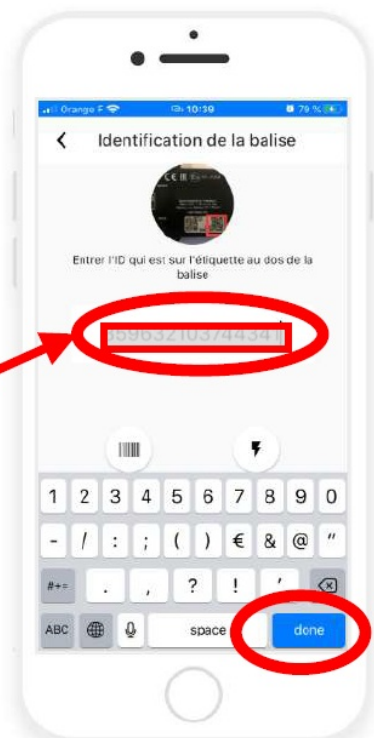

Step 2 – Tag ID

Scan the label on the back of the box and click "Next"

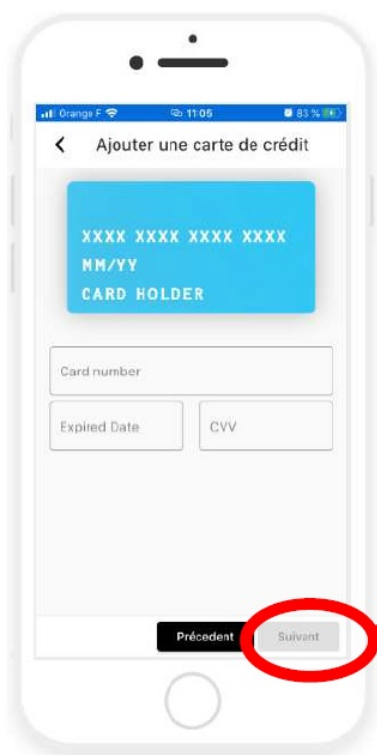

Or manually enter its 15-digit code

Step 3 – Choice of subscription

Step 4 – Method of payment

Enter your bank details
and
confirm

Confirm the TCU
And click "Next"

Step 5 – Tag activation

Your tag is activated: click "Finish"

Note: You can also monitor your tag from your PC via the link: <https://connect.ticatag.com>

Should anything go wrong, our team is available to help you.
Simply send an email to support@ticatag.com

Declaration of Conformity

EU Declaration of Conformity:

TICATAG SAS hereby declares that this appliance complies with the main principles and other clauses relevant to European Directive 2014/53/EU.

A copy of the EU Declaration of Conformity is available at <https://ticatag.com/pages/certificat>

Contact address for the EU:

TICATAG SAS – 2, rue Louis de Broglie – 22300 Lannion – France

Environmentally-friendly disposal

Used electrical appliances must not be disposed of with domestic waste. They must be disposed of separately. Disposal at a municipal collection point by private individuals is free. It is the responsibility of the owner of used devices to bring them to these collection points or similar collection points. With little personal effort, you contribute to recycling valuable raw materials and the processing of toxic substances.
