time HG8145V5 Control Hub App

Specifications

- Compatible Devices: Huawei HG8145V5 and WA8021V5

- Installation Distance: 2m from router

- Installation Time: Approximately 4 minutes

Product Usage Instructions

1. Open the Time Internet app on your Huawei device.
2. Tap on the Device Installation icon on the Control Hub screen.
3. Tap on the + symbol to add a new device.
4. Tap on Start Installation to begin the process.
5. Ensure your device is placed 2m from your router for detection.
6. If errors occur, follow on-screen instructions.
7. The indicator light on your device will blink once installation begins. Tap on Next to proceed.
8. The app will connect your device, taking around 4 minutes to complete.
9. Once installation is done, tap on Done to finish.
10. To delete a device, swipe left on it and tap on Delete.
11. To stop installation, tap on Stop Installation. If interrupted, tap Yes to restart.
12. If device is undetected, ensure it's powered on and close to router. Tap Retry to start again.
13. If still undetected after two attempts, reset the device:
    - Power off by unplugging.
    - Hold reset button with a needle for a few seconds.
    - Release when indicator light goes off.
    - Tap on Next to proceed.
14. Plug device back in, turn it on, and tap Next to retry the installation.
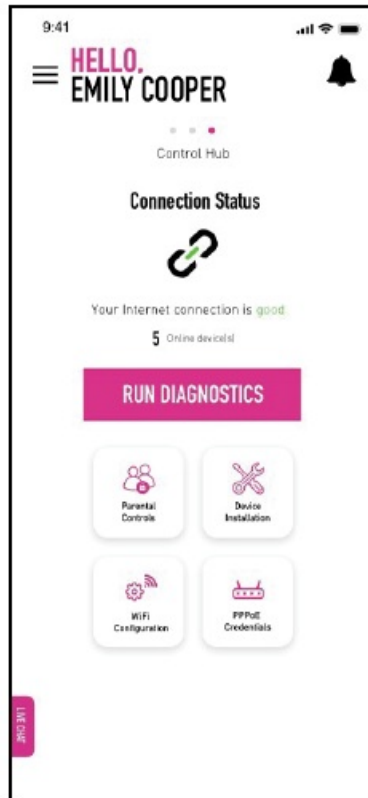

FAQ:
Q: How do I know if my device is successfully installed?
A: The indicator light on the device will stop blinking once installation is complete, and you will see a 'Done' message on the app.

HOW TO INSTALL NEW OMNIMESH DEVICES

For Huawei devices (Huawei HG8145V5 and WA8021V5) only.

1. Tap on the Device Installation icon on the Control Hub screen in your Time Internet app.

2. Tap on the + symbol to add a new device(s).

3. Tap on Start Installation to begin the process.

4. Ensure your device(s) is placed 2m from your router in order for it to be detected. Should you encounter any errors, simply follow the instructions on screen.

5. The indicator light on your device(s) will start to blink once the installation process begins. Tap on Next to proceed.
