## Support Extend & Mirror Mode

## Troubleshooting

- **Q: Is this docking station compatible with my laptop?**

**A:** Please ensure the USB-C port of your laptop not only support data transfer but also support Power delivery and Alt-mode DisplayPort. If you are not sure, please contact us so we can check for you.

- **Q: Why the HDMI cannot work?**

**A:**

1. Please ensure your laptop's USB C port supports video output.
2. Please ensure the standard cable(HDMI to HDMI/DP/VGA cable) If you are not sure the cable whether standard, please contact us we can check for:
