## Product Usage Instructions

### Bluetooth Audiobook Listening

To listen to audiobooks wirelessly using headphones or speakers:

1. Ensure Bluetooth is enabled on the device.
2. Pair your headphones or speakers with the tolino shine color.
3. Select the audiobook you want to listen to and enjoy wire-free listening.

## **eBook and Audiobook Management**

To organize and manage your eBooks and audiobooks:

1. Create collections to organize your content.
2. Use the full-text search feature to find keywords within your eBooks.
3. Set bookmarks for easy access to specific sections.
4. Utilize the integrated dictionary to translate terms and look up unfamiliar words.

## **Tolino Cloud Sync and Family Sharing**

To sync your reading progress across devices and share content with family members:

1. Login to your tolino account to access the cloud features.
2. Merge libraries from multiple tolino shops using the tolino library link.
3. Enable Family Sharing to easily share eBooks and audiobooks with family members.

## **FAQ**

Q: Can I adjust the playback speed of audiobooks?

A: Yes, the tolino shine color allows you to adjust the audiobook playback speed according to your preference.

Q: Is the device compatible with eBooks from public libraries?

A: Absolutely, the tolino shine color is compatible with eBooks from public libraries, including Onleihe.

Q: How do I highlight text and make notes in eBooks?

A: Use your finger to highlight text directly in your eBook and make notes effortlessly.

Q: What is included in the box when purchasing the tolino shine color?

A: The box includes the tolino shine color device, a USB-C cable, a warranty booklet, and a quick-start guide. Additional accessories are available separately.

## Compact reading pleasure in colour

## Instructions

- NEW 6-inch color screen: 4,096 colors for vivid content
- NEW: Audiobook playback: listen to audiobooks using Bluetooth headphones or speakers
- Read in all lighting conditions: adjust lighting with smartLight
- 16 GB of internal storage: space for up to 12,000 eBooks or 75 audiobooks<sup>1</sup>
- Water protection<sup>2</sup>: carefree reading in the tub or by the pool
- Weeks of battery life: hours of reading without frequent recharging

### **Colourful stories are waiting for you**

The tolino shine color brings your favourite content to life with its innovative color screen in up to 4,096 shades. The high-resolution screen also presents black-and-white content in high contrast and razor-sharpness. Immerse yourself in the world of colour and experience covers, comics, children's books, recipes and self-help eBooks as they were meant to be experienced, turning every story into a colourful adventure.

### **Wireless listening pleasure: your audiobooks any place, anytime**

Thanks to integrated Bluetooth technology, you can now enjoy your favourite titles as audiobooks wirelessly using headphones or speakers. Ideal for those moments when you don't have your hands free. Be enchanted by stories.

### **Practicality and functionality perfectly combined**

This compact all-arounder stands out thanks to its compact, lightweight design, which can be held comfortably and used with one hand. Immerse yourself in optimal reading pleasure thanks to the latest technology, colour screen and audiobook function. Thanks to water protection<sup>2</sup>, the tolino shine color means carefree reading fun in the tub or at the poolside. Small, smart and packed with functions – your compact companion for unlimited reading pleasure!

### **smart light: read the right way for your day**

smartLight was developed for everyone who likes to read before going to bed. With its clever color temperature adjustment, the tolino shine color always provides the most pleasant lighting for reading. It changes from cool white light in the morning to warm white light in the evening, in harmony with natural daylight. That way, your reading won't interfere with your natural rhythm, whatever the time of day. If you are reading in bright daylight, you can also turn the lighting off completely and extend your eReader's battery life even further.

### **Endless reading fun thanks to weeks of battery life<sup>3</sup> and 16 GB memory**

The tolino shine color turns your travels into literary adventures! With an impressive battery life that promises weeks of reading fun, it will become an indispensable companion whenever you're on the road. Pack your entire library – the generous 16 GB of storage space offers room for up to 12,000 eBooks or 75 audiobooks<sup>1</sup>.

### **Cozy up with a book, even in the water**

The waterproof<sup>2</sup> tolino shine color eBook reader is ready for any eventuality, including a long soak in the tub or at the poolside with your new favourite page-turner.

### **Limitless freedom – buy eBooks wherever you want**

tolino is all about free choice, leaving the decision where you want to buy your eBooks and audiobooks entirely up to you. That way you can enjoy the full range of eBooks from all available tolino bookstores. Simply load existing EPUB, PDF, MOBI eBooks, TXT files, comics in CBR or CBZ format, and images in JPEG or PNG format onto your eReader. With tolino cloud synchronization, you never lose track of your reading and listening progress, regardless of which device you are using.

1. 1 GB = 1 billion bytes. Based on an estimated size of approx. 1.3 MB per eBook and an average audiobook length of 6.5 hours at 28.8 MB per hour. Part of the memory is reserved for software.
2. Protection against freshwater (depth of up to 2 meters/60 min.).
3. Depending on use.
