   Complete 72 to unlock the fourth stage reward: Free upgrade for 10 years.

2. **Top Three Finisher Rewards**

   The Top Three

   At the end of the event, the top three finishers (those who have cumulatively uploaded the most valid data) will be awarded.

   Reward

Rank	Bonus	Free use of some new products	Certificate
No.1	$500 USD	Phoenix Series	Developers Honor Certificate
No.2	$300 USD	ArtiDiag Series	Developers Honor Certificate
No.3	$150 USD	ArtiLink Series	Developers Honor Certificate

3. **Monthly Growth Star Award**

   Growth Star – Awarded Monthly

   The user who has completed the most tasks and grew the most from the previous month will be selected as the monthly Growth Star winner.

   Reward

   $200 USD

   Note

   A. If multiple users month-on-month data is the same at the time of settlement, the user with the largest number of uploads in the current month will rank first; if the number of uploads in the current month is still the same, the user with the largest number of uploads in the previous month will rank first; If the number of uploads in the previous month is the same, the one with the shortest time to reach the same number of uploads in the current month will be ranked first.

   B. Users that have not uploaded data in the last month will not participate in the monthly growth star reward activity of the current month.

   C. The first month's reward is issued to the user who uploads the most valid data in that month.
