## A3002RU IP filter settings

It is suitable for: **N100RE, N150RH, N150RT, N151RT, N200RE, N210RE, N300RT, N301RT , N300RH, N302R Plus, A702R, A850R, A3002RU**

**Application introduction:** Solution about how to configure IP Address and Port Filtering on TOTOLINK.

### STEP-1:

Connect your computer to the router by cable or wireless, then login the router by entering `http://192.168.0.1` into the address bar of your browser.

Note: The default access address varies depending on the actual situation. Please find it on the bottom label of the product.

### STEP-2:

User Name and Password are required, by default both are **admin** in lowercase letter. Click **LOGIN**.

## USER LOGIN
