TP-Link REV1.0.0 Tapo Sensor Button Installation Guide

**REV1.0.0 Tapo Sensor Button
Installation Guide**

Contents

Tapo App

https://www.tapo.com/app/download-app/

Getting Started

1. Get the Tapo app from the App Store or Google Play.
2. Follow the instructions in the Tapo app to complete the setup.

Keep the device away from water, fire, humidity or hot environments.

Do not attempt to disassemble, repair, or modify the device. If you need service, please contact us.

Do not use the device where wireless devices are not allowed.

Do not ingest battery, Chemical Burn Hazard

This product contains a coin/button cell battery. If the coin/button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death.

Keep new and used batteries away from children.

If the battery compartment does not close securely, stop using the product and keep it away from children.

If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

CAUTION!

Avoid replacement of a battery with an incorrect type that can defeat a safeguard.

Avoid the disposal of a battery in a fire or a hot oven, or mechanically crushing or cutting of a battery, which can result in an explosion.

Do not leave a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas; Do not leave a battery subjected to the extremely low air pressure that may result in an explosion or leakage of flammable liquid or gas.
