### tracer Stripe TWS Bluetooth Speaker

### Points for attention

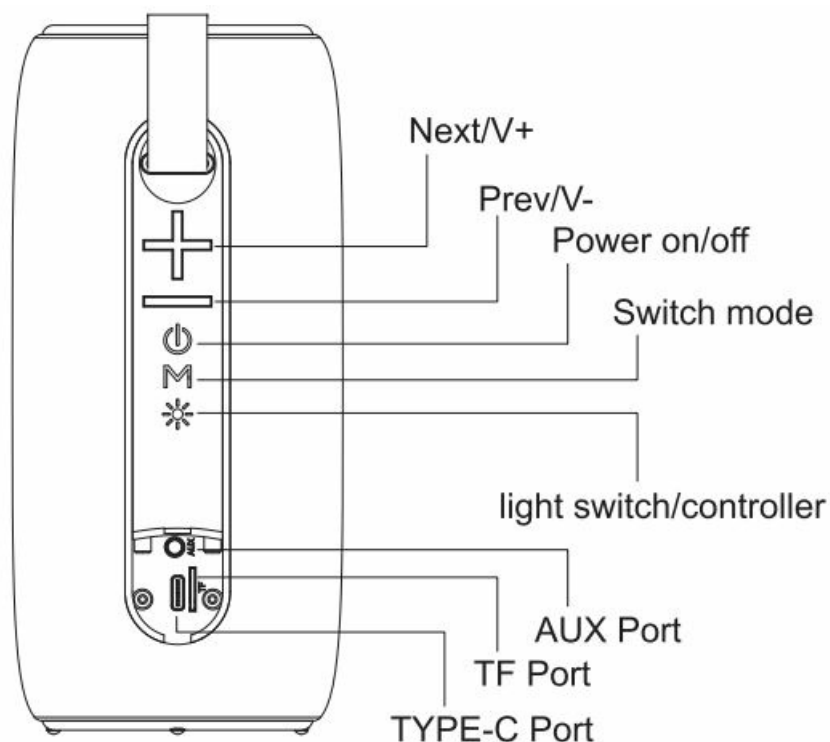

- Do not hit or crush it seriously.

- Do not contact benzene, diluent, and other chemicals.
- Do not use a nearby strong magnetic field or electric field. Avoid direct rays or heating appliances.
- Do not disassemble, repair or modify.
- Do not listen at large volume for long periods of time, so as not to injure the hearing.
- Do not clean the speaker with water and don't immerse the speaker in the water. This speaker only has a water pray prevention function. I use the speaker not by the right way and cause any quality problems, not support warranty. Kindly note the above! Please clean the speaker with a slightly damp cloth.
- When using cycling, driving a car or motorcycle, Please don't stand in the rain for a long time.
- When using at low voltage, it may cause distortion of sound and please charge it in time.
- Bluetooth is compatible with common smartphones and tablets, but depending on the device or application you use, may not be able to support a particular feature.
