TRANSFORMERS TF-GK03 Gaming Mechanical Keyboard

Packing list

1. TF-GK01 Gaming mechanical keyboard
2. Keyboard cover
3. USB Type-C cable
4. USB Wireless Dongle / USB
5. 2-in-1 shaft and key puller
6. User manual and warranty card

Keyboard features

1. Wireless code Indicator Light 1 ,2,3
2. 2.4G Pairing Indicator Light
3. Multimedia-Knob
4. System Switch
5. Mode Switch
6. 2.4G receiver

Keyboard Overview

- Optional 2.4G, BT and wired connection modes for efficient multitasking advancement.
- Advanced anti-punch function with full key conflict-free support, providing stronger command readings in the heat of battle.
- Streamlined body, retaining functionality while keeping the desktop more concise.

- Adaptation system: Windows/MacOs.

Product parameter

- Number of keys: 1 01
- Product size:41 OXl 43X43MM
- Key life:50 million times
- Connection mode:2.4G/Wired/BT
- Battery capacity:5000mAh

Indicator Light Instructions

Indicator position	Function definition
Caps 	Caps Lock
Scr 	Scroll Lock
 	Charging and low voltage indication

<p>* Toggle the switch to the corresponding mode position to take effect. Toggle the toggle switch for 2.4G mode below, wired mode in the middle, and Bluetooth mode above.</p>	

FCC Warning

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.

Name and content of harmful substances in the product

Part name	Harmful substance					
	(Pb)	(Hg)	(Cd)	(Cr (VI))	(PBB)	(PBDE)
Structural components and electronic components	○	○	○	○	○	○
Small structural components such as shells	○	○	○	○	○	○
<p>This table is prepared in accordance with the provisions of SJ/T11364</p> <p>○: Indicates that the content of harmful substances in all homogeneous materials of the component is below the limit requirements specified in GB/T26572.</p> <p>X: indicates that the content of the hazardous substance in at least one homogeneous material of the component exceeds the limit requirements specified in GB26572.</p> <p>The components marked with "X" on the form cannot be replaced with harmful substances due to limitations in global technological development.</p>						
<p>This table is prepared in accordance with the provisions of SJ/T11364</p> <p>Printed circuit board components *: including printed circuit boards and their components, electronic components, etc;</p> <p>Depending on the product model, the product you purchased may not contain all of the above components.</p>						
<div>  <p>Electronic and electrical products sold within the territory of the People's Republic of China must be marked with this mark, the number in the mark represents the environmental protection life of the production under normal use.</p> </div>						

Warranty Service

Dear user, this warranty card is the proof of your future warranty application, please cooperate with the seller to fill it out and keep it for future use!
