INSTRUCTIONS OF SAFETY AND WARNINGS

- Make sure that the mounting surface is strong enough to handle a mounted product and equipment.
- DO NOT EXCEED THE MAXIMUM LISTED WEIGHT CAPACITY.
- Always use an assistant or a mechanical lifting device to safely lift and position heavy products.
- Tighten screws firmly, but do not over-tighten. Over-tightening can cause product damage that greatly reduces the holding power.
- Keep a clear area and distance from moving parts when using the product.
- Use only as intended. Never stand, hang, or climb on the product.
- This product is intended for indoor use only.
- Any attempts to reconstruct the construction aren't allowed.
- This product may contain small items that could be a choking hazard if swallowed. Keep children away unless the product is intended for their use and all instructions and manuals are fully reviewed and understood by them.
- Check that the product is secure and safe to use at regular intervals (at least every three months).
