## INSTRUCTION

### Conformity information

Trust International B.V. declares that item number 24085 is in compliance with Directive 2014/30/EU – 2011/65/EU

The full text of the EU declaration of conformity is available at the following web address:

[www.trust.com/compliance](http://www.trust.com/compliance)

### Disposal of packaging materials

The packaging protects the device from damage during shipment. The packaging materials have been selected for their environmental friendliness and ease of disposal and are therefore recyclable. Returning the packaging to the materials cycle conserves raw materials and reduces the amount of waste that is generated. Dispose of packaging materials which are no longer needed in accordance with applicable local regulations.

### Disposal of the device

The adjacent symbol of a crossed-out wheelie bin means that this device is subject to Directive 2012/19/EU. This directive states that this device may not be disposed of in normal household waste at the end of its usable life, but must be handed over to specially set-up collection locations, recycling depots or disposal companies. This disposal is free of charge for the user. Protect the environment and dispose of this device properly. You can obtain further information from your local disposal company or the city or local authority.

### Disposal of batteries

Used batteries may not be disposed of in household waste. All consumers are required by law to dispose of batteries at a collection point provided by their local community or at a retail store. The purpose of this obligation is to ensure that batteries are disposed of in a non-polluting manner. Only dispose of batteries when they are fully discharged. Cover the poles of partially discharged batteries with tape to prevent short circuits.
