Trust 25127 Wireless High Performance Mouse

## Product Specifications

- Model: REDX+
- Type: Wireless High-Performance Mouse
- Connectivity: USB-A
- Battery Life: Up to 3 hours

## Product Usage Instructions

### Software Download

To access the full functionality of the REDX+ Wireless High-Performance Mouse, download the software from the official Trust website at: [www.trust.com/25127/download](http://www.trust.com/25127/download)

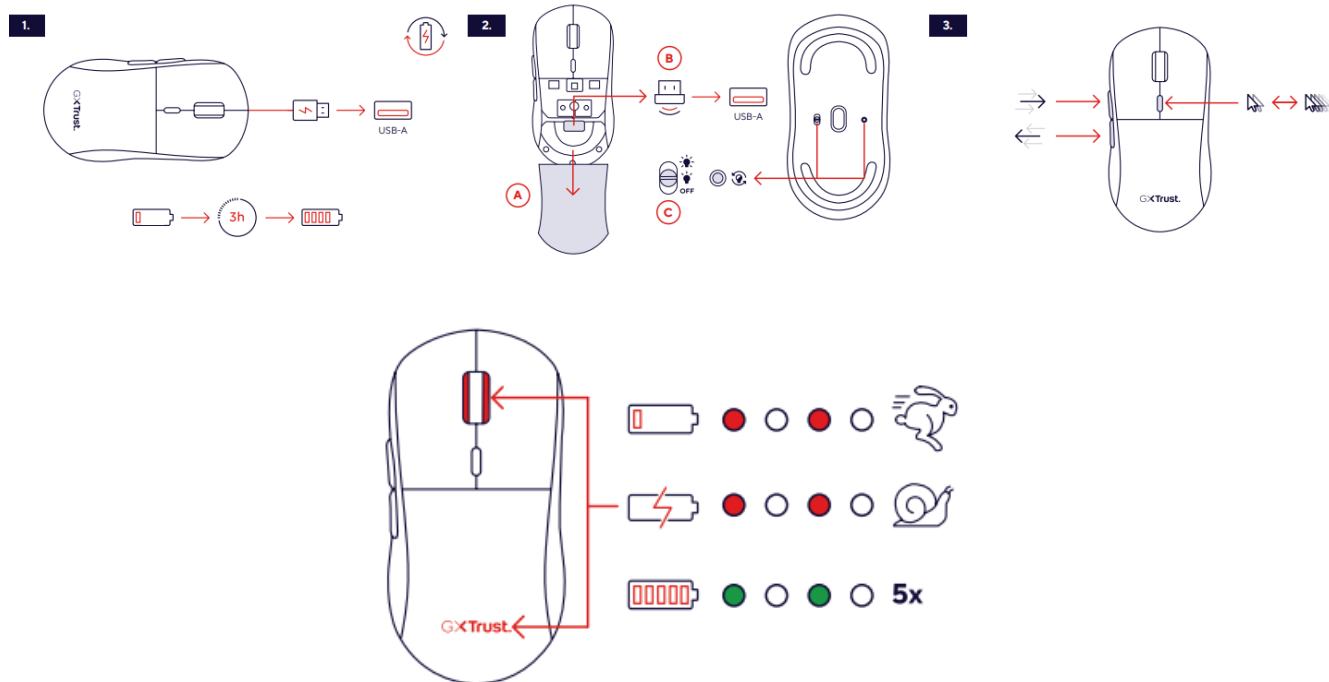

### User Guide

Refer to the included user guide for detailed instructions on setting up and using the REDX+ Wireless High-Performance Mouse.

### Charging

Before initial use, ensure the mouse is fully charged. Connect the USB-A cable to the mouse (port A) and a power source (port B) for up to 3 hours to achieve a full charge.

### Installation

## Frequently Asked Questions (FAQ)

### How long does the battery last on a full charge?

The battery on the REDX+ Wireless High-Performance Mouse lasts up to 3 hours on a full charge.

### Where can I find additional support or troubleshooting tips?

For additional support or troubleshooting tips, visit the official Trust website at [www.trust.com/25127/FAQ](http://www.trust.com/25127/FAQ) or refer to the user guide.
