## Frequently Asked Questions

What is the main purpose of the Trust GXT 606 Javv Speaker Set?

The primary purpose of the Trust GXT 606 Javv Speaker Set is to provide high-quality audio output for your computer, enhancing your gaming, movie-watching, and music-listening experiences.

How do I activate and control the RGB illumination on the Trust GXT 606 Javv Speaker Set?

You can activate and control the RGB illumination by using the on/off touch control located on the speakers. Refer to the user manual for specific instructions on changing colors and lighting effects.

Can I use the Trust GXT 606 Javv Speaker Set with gaming consoles like Xbox or PlayStation?

This speaker set is primarily designed for use with PCs and laptops. While it has a 3.5mm audio input, it may not be compatible with gaming consoles. Check the console's audio output compatibility before attempting to connect.

What is the cable length of the Trust GXT 606 Javv Speaker Set for power and audio connections?

The included power cable and audio cable are both 180 cm (1.8 meters) in length, providing flexibility in speaker placement.

Does the Trust GXT 606 Javv Speaker Set have any power-saving features?

No, the speaker set does not have power-saving features. It is powered through a USB connection and remains active as long as the USB power source is connected.

Can I mount the Trust GXT 606 Javv Speaker Set on a tripod or speaker stands?

No, this speaker set does not have tripod mounting capabilities. It is designed to be placed on a stable surface such as a desk or table.

Does the Trust GXT 606 Javv Speaker Set come with a remote control for convenience?

No, there is no remote control included with the Trust GXT 606 Javv Speaker Set. Volume and lighting controls are located on the front of the speakers for easy access.

Is the RGB lighting on the Trust GXT 606 Javv Speaker Set customizable in terms of colors and effects?

The RGB lighting on the speaker set offers color cycle illumination. While you can turn it on and off, it may not have advanced customization options for specific colors or effects.

Are the Trust GXT 606 Javv Speaker Set speakers water-resistant or waterproof?

No, the speaker set is not water-resistant or waterproof. It should be kept away from liquids to avoid damage.

Can I detach the power cable from the Trust GXT 606 Javv Speaker Set for storage or transportation?

No, the power cable is not detachable from the speaker set. It is permanently attached for convenience.

Does the Trust GXT 606 Javv Speaker Set support hands-free phone calls or have a built-in microphone for voice communication?

No, these speakers do not support hands-free phone calls, and they do not have a built-in microphone for voice communication. They are primarily designed for audio playback.

What should I do if the RGB lighting on the Trust GXT 606 Javv Speaker Set is not working correctly?

If you encounter issues with the RGB lighting, ensure that the touch control for lights on/off is functioning correctly. If the problem persists, refer to the user manual or contact Trust Gaming's customer support for troubleshooting assistance.
