Description

• Winning Mouse Pad in Extra-Long Design

With its extremely large design, comfortable cloth surface and RGB LED illuminated edges, the Trust GXT 764 Glide-Flex XXL RGB Mouse Pad combines all the features for you to start a winning streak.

• XXL Design For Ultimate Freedom

Don't let anything get between you and your win. This XXL mouse pad guarantees maximum freedom of movement, so you can undertake whatever action is needed to achieve that win. Enjoy almost a meter's width

– big enough to house your keyboard and engage in mouse action, with the non-slip rubber base keeping the mouse pad in place during even the most intense battles.

- **Illuminate Every Victory**

Put on a show both in-game and in real life. With the RGB LED lights, your actions are amplified by a dynamic light show along the pad's edges. You can select your favorite setting without installing any software. Opt for one of the seven solid colors, go for breathing RGB, make it more energizing with jumping RGB or get in the flow with the RGB rainbow pattern.

- **Super Accurate Tracking**

Control your mouse's every movement. With its optimized surface texture, the Trust GXT 764 Glide-Flex XXL RGB Mouse Pad is a reliable base for any mouse. Slide across the pad with speed and precision, regardless of which sensor or sensitivity setting you're using. Coming in a flexible design, you can conveniently roll it up and take the pad anywhere that gaming takes you.

FAQ's

What is the size of the Trust GXT 764 Glide-Flex RGB Mouse Pad?

The Trust GXT 764 Glide-Flex RGB Mouse Pad has a size of approximately 350mm x 250mm.

Is the mouse pad compatible with both laser and optical mouse?

Yes, the Trust GXT 764 Glide-Flex RGB Mouse Pad is designed to be compatible with both laser and optical mice.

Does it have customizable RGB lighting?

Yes, the mouse pad features customizable RGB lighting, allowing you to choose from various colors and lighting effects.

How do I control the RGB lighting on the mouse pad?

The RGB lighting can be controlled using the Trust GXT software, which is downloadable from their official website.

Is the surface of the mouse pad smooth or textured?

The Trust GXT 764 Glide-Flex RGB Mouse Pad has a smooth surface that provides a good balance of speed and control for your mouse movements.

Is the mouse pad suitable for gaming?

Yes, the mouse pad is designed with gaming in mind, offering precise tracking and a comfortable surface for long gaming sessions.

Can the mouse pad be easily cleaned?

Yes, the mouse pad is easy to clean. You can use a damp cloth to wipe off any dirt or stains.

Does it have a non-slip base?

Yes, the Trust GXT 764 Glide-Flex RGB Mouse Pad features a non-slip rubber base that keeps it securely in place during intense gaming sessions.

Is the mouse pad foldable for portability?

No, the mouse pad is not foldable. However, it is lightweight and easy to carry around.

How long is the USB cable for the RGB lighting?

The USB cable for the RGB lighting is approximately 1.8 meters long.

Does the mouse pad require any drivers to function properly?

No, the mouse pad works plug-and-play without any additional drivers. However, for RGB customization, you will need to install the Trust GXT software.

Can I turn off the RGB lighting if I prefer a simpler look?

Yes, you can easily turn off the RGB lighting using the Trust GXT software or a dedicated button on the mouse pad if it has one.

Does the mouse pad come with a warranty?

Yes, the Trust GXT 764 Glide-Flex RGB Mouse Pad usually comes with a standard warranty. The duration of the warranty may vary based on your location, so check the product packaging or the Trust website for details.

Is the mouse pad suitable for low DPI settings?

Yes, the smooth surface of the mouse pad is suitable for low DPI settings, offering precise control for gamers who prefer lower sensitivity.

Can I customize the lighting effects on the mouse pad?

Yes, the Trust GXT software allows you to customize various lighting effects and colors according to your preference.
