TURBO GEARS F1 AW24 Remote Controlled Vehicle

Product Information

Specifications:

- **Dimensions:** 43mm x 3mm x 24mm
- **Recommended Age:** 4+
- **Manufacturer:** PLDZ
- **Country of Origin:** China

Product Usage Instructions

Safety Information:

This remote-controlled vehicle is recommended for children aged 4 and above. Please remove the toy from the packaging before giving it to a child. Keep the packaging, instructions, or labels as they contain important information. The toy may produce flashes that could trigger epilepsy in sensitive individuals.

Battery Installation:

To install the batteries, follow these steps:

1. Open the battery compartment.
2. Insert 5 x 1.5V AA batteries, ensuring correct polarity (+ and -).
3. Securely close the battery compartment.

Battery Replacement:

If the toy stops functioning properly, replace the batteries with new ones for optimal performance.

FAQ:

- **Q: What age is this remote-controlled vehicle suitable for?**

A: This toy is recommended for children aged 4 years and older.

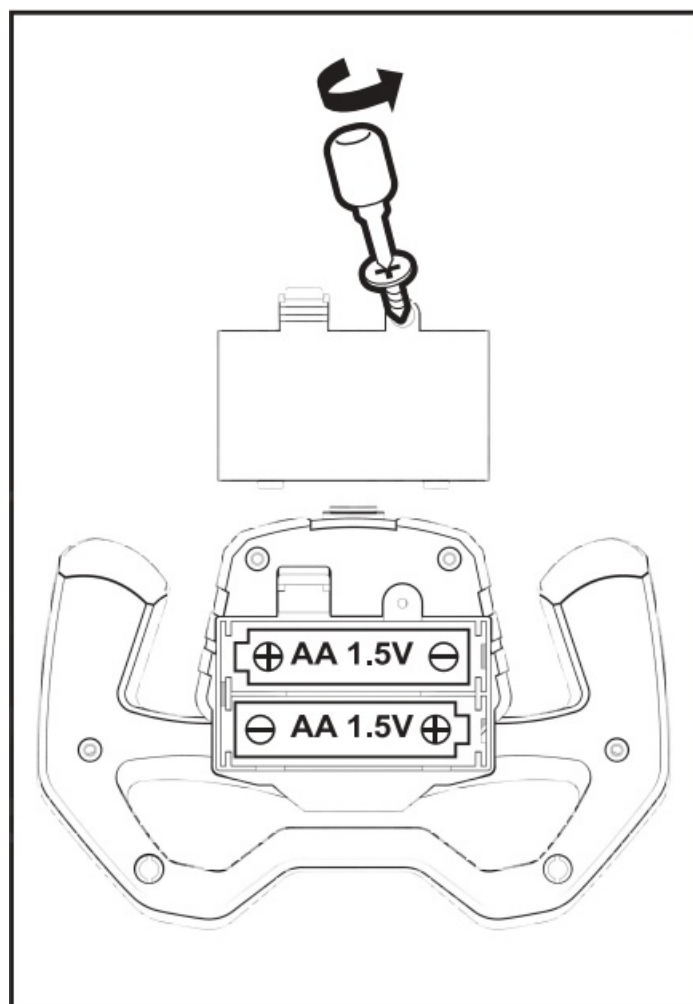

- **Q: Where is the product manufactured?**

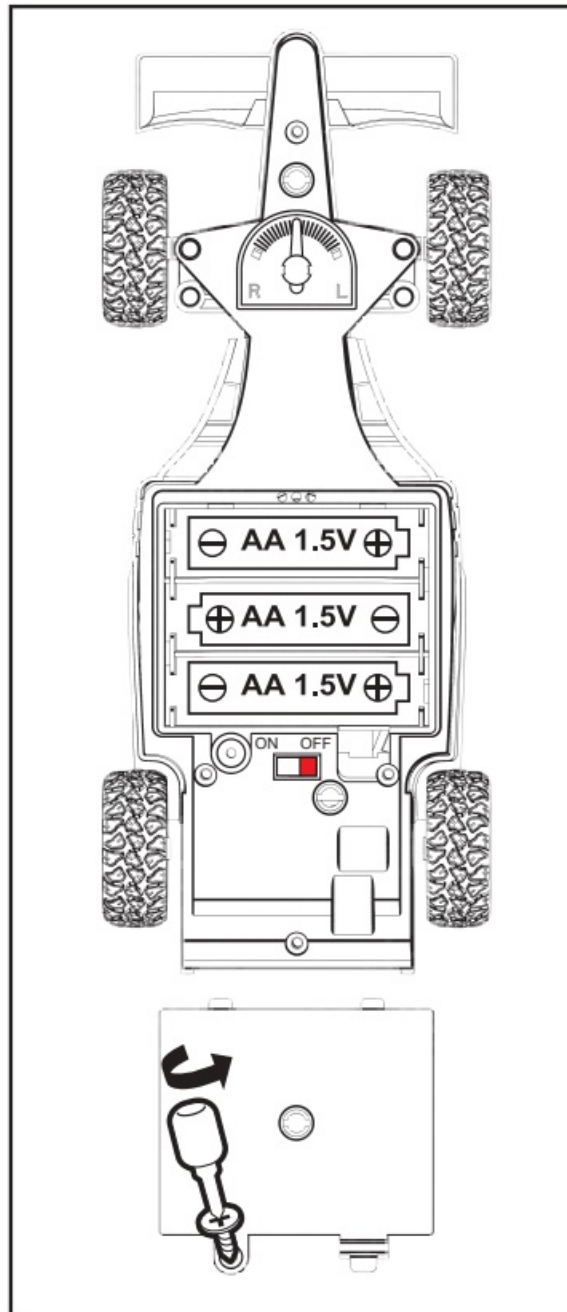

A: The product is manufactured in China and imported by various distributors as listed in the manual.

- **Q: What should I do if the toy produces flashes that could trigger epilepsy?**

A: If the toy's flashing lights are a concern, discontinue use and consult a healthcare professional, especially if you or your child are sensitive to such stimuli.

Battery installation

- Batteries should be installed by an adult.
- Batteries to be used: 5 x 1.5V "AA".
- The figure shows the battery assembly.
- Please be careful to ensure safety when removing/replacing the batteries.
- Turn off the product before removing/replacing the batteries.
