TYPECASE

**TYPECASE KB201T Flexbook Touch Keyboard Case**

## TECHNICAL SUPPORT

If you have any issues or questions, let us know ASAP! We would love to get you taken care of and happy right away! All units come with a full 12 month warranty, so you can relax and take comfort in your purchase. For the fastest & friendliest support, contact us (not Amazon) via one of the contact methods below.

1. Email: [support@typecase.co](mailto:support@typecase.co)
2. Phone: 832 – 303 – 5080
3. Chat: <https://typecase.co/support>

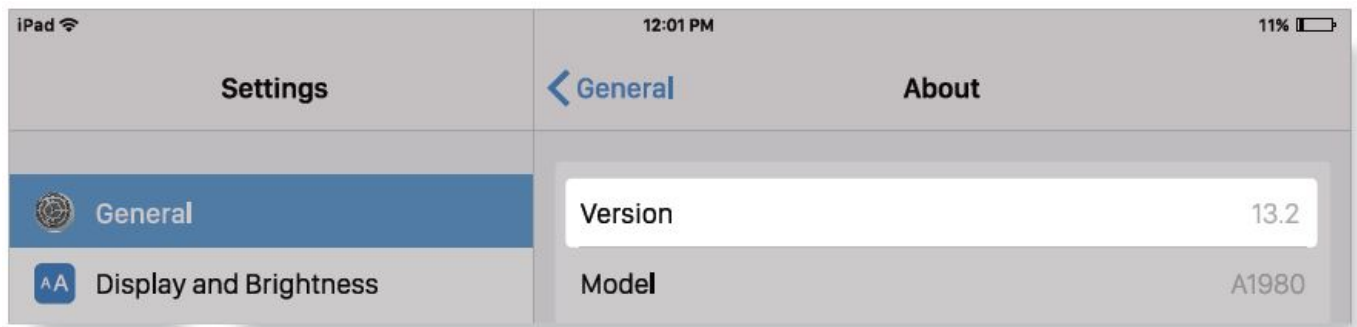

## COMPATIBILITY

Compatible with iPad 13 (and newer). We recommend updating your iPadOS to 13.4.1 for best performance.

### To check your iPad system version:

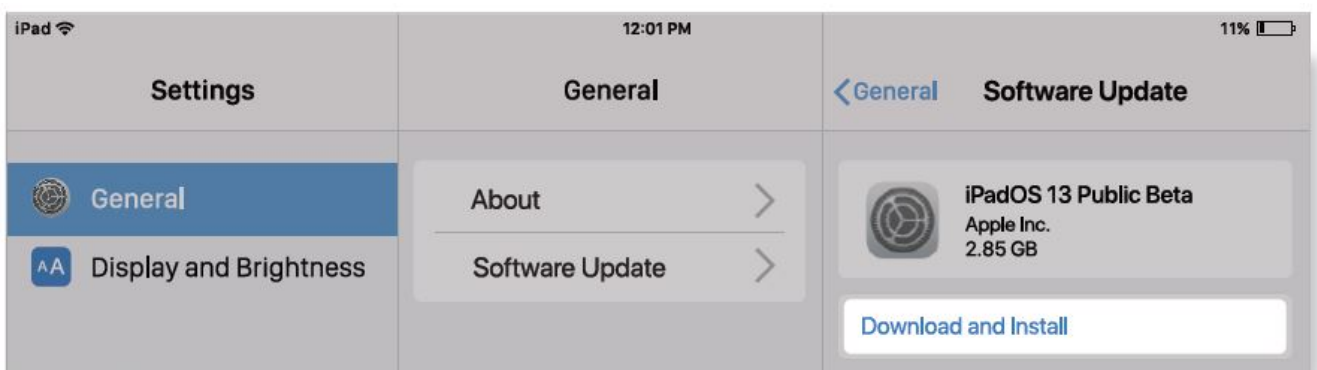

1. Go to Settings > General > About > Software Version.

2. Upgrade your version to iPadOS 13.4.1 or above to use the touchpad function correctly.

**To upgrade your iPadOS to the latest version:**

1. Open your device's Settings > General > Software Update.

2. Tap Download and Install.  
If you see Resume Download, tap that instead.

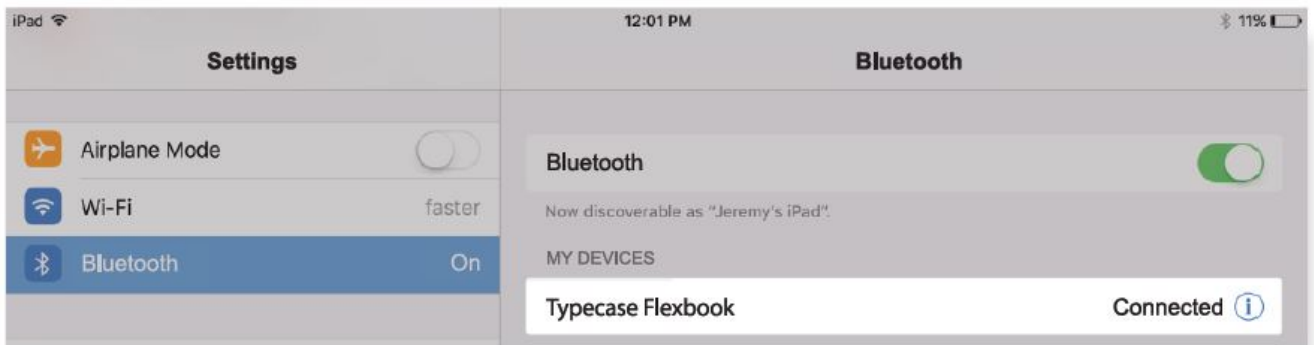

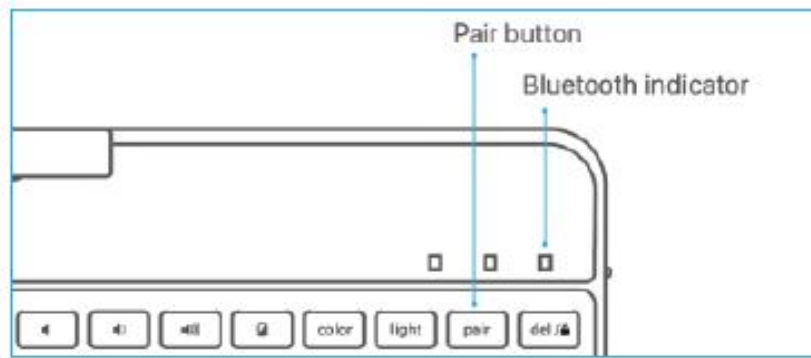

## SETUP

**To pair with your iPad:**

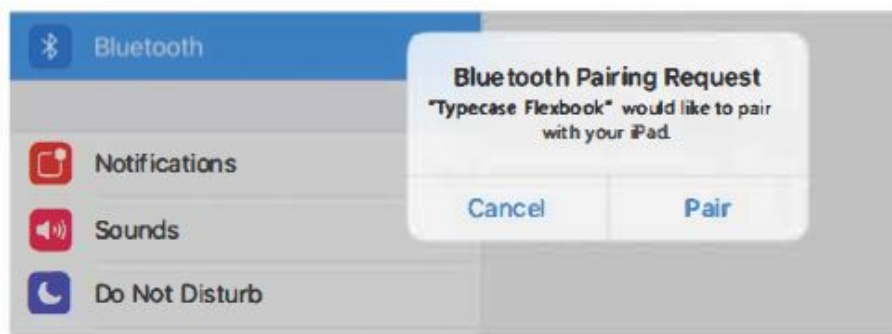

1. Switch ON/OFF switch to ON position.
2. Bluetooth indicator light will start blinking. If Bluetooth indicator light does not start blinking, press and hold the 'Pair' button for 3 seconds.

3. Toggle Bluetooth ON in the Settings app (device is connected when Bluetooth indicator stops flashing).

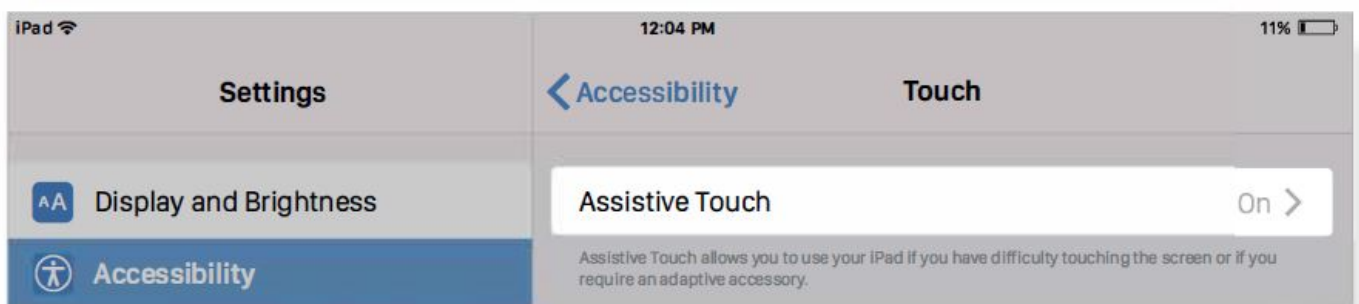

4. Tap 'Typecase Flexbook' under 'MY DEVICES' in the Bluetooth section of the Settings app.
5. Tap 'Pair' in the pop-up window like shown below.

When pairing to new devices, please repeat steps 1-3. The pairing process is considered complete after the 'Connected' indicator appears.

If your system is 13.3.1, please follow the steps to enable touchpad function:

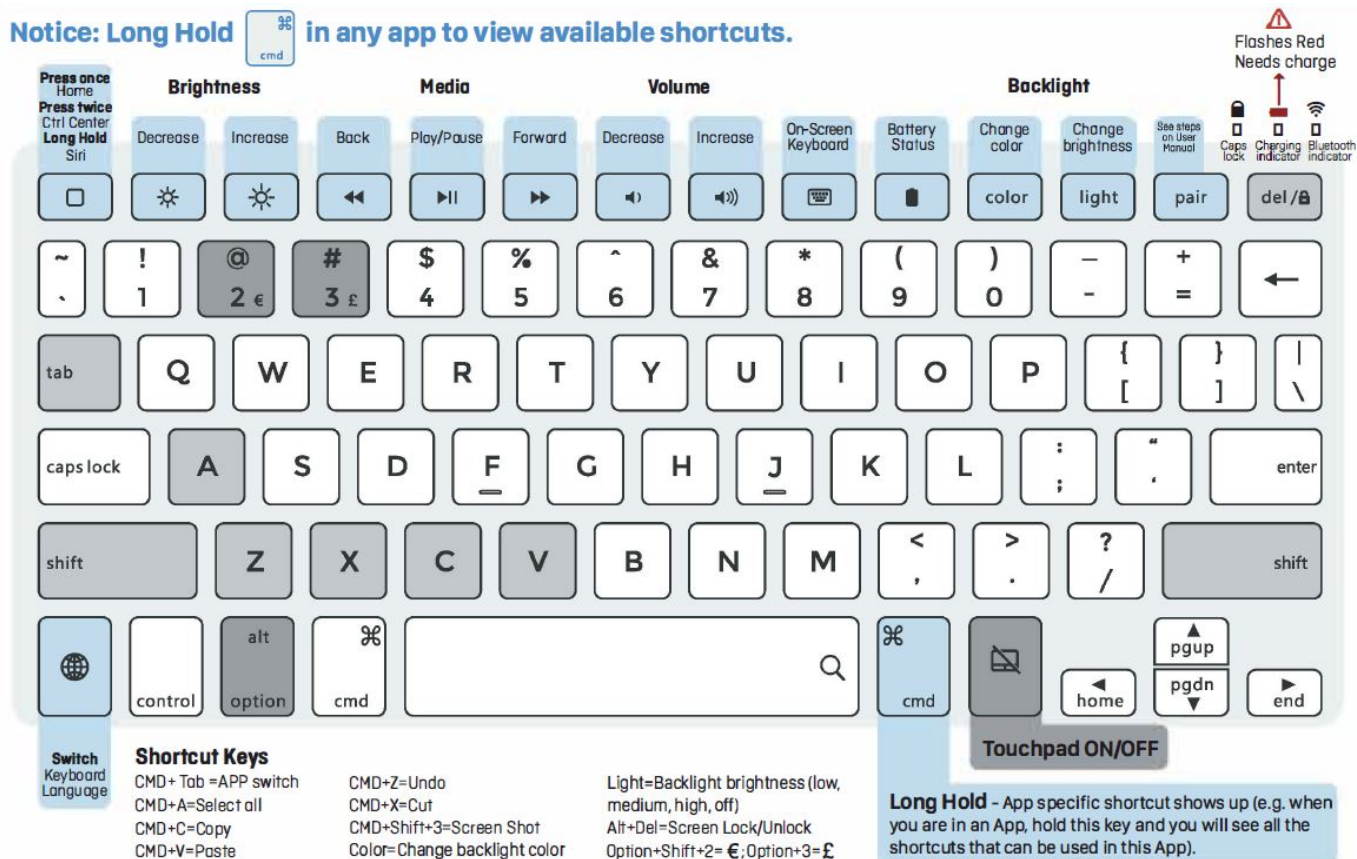

1. Go to Settings > Accessibility > Touch.
2. Make sure Assistive Touch option is turned On.

## SHORTCUT MAP

Notice: Long Hold in any app to view available shortcuts.

**Notice: Long Hold**  **in any app to view available shortcuts.**

7. Charging time:< 2 hours Charging voltage: 5V
8. Key's life span:> 5 million strokes
9. Operating temperature: -10 ±55°C
10. Maintenance: Please preserve the keyboard under normal temperature and recharge under normal voltage.

## COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna;
- Increase the separation between the equipment and receiver;
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected;
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.
