- **Q: What are the radiation exposure limits?**

- A: The equipment complies with FCC radiation exposure limits for an uncontrolled environment and should be operated with a minimum distance of 0cm from the body.

Overview introduction

FINDER integrates with Apple's Find My network, providing a \secure and user-friendly solution for tracking belongings. It effortlessly locates keys, wallets, and more using Apple Find My Network, prioritizing security. Designed for user convenience, FINDER simplifies daily life. Say goodbye to lost items with FINDER and Apple's Find My network, experiencing a future of enhanced item tracking and peace of mind. Trust FINDER to redefine how you manage essentials effortlessly

HOW TO PAIR

Note: iOS or macOS with the latest version.

(Figure 1)

(Figure 2)

(Figure 3)

(Figure 4)

1. Place the FINDER next to your Apple device like iPhone.
2. Turn on Bluetooth on iPhone and connect to Internet.
3. Press the finder side button, hear one beep to power on.
4. Open the 'Find My' app as shown in Figure 1
5. In 'Find My' app, click on Add Item – Other Support Items. As shown in Figure 2
6. Click 'Continue'. As shown in Figure 3
7. Name your Finder and click 'Continue'. As shown in Figure 4
8. Select emoticons.
9. Click 'Continue', then click 'Finish' to complete.

Battery

FINDER Contains a coin-shaped battery. During the product's lifespan, it may be necessary to replace the battery. By observing the correct negative and positive connections, only replace batteries of the same type (CR2032) and rating.

Battery replacement:

1. Pry Open the back cover with a tool.
2. Replace a new battery.
3. Fasten back cover.

ADDITIONAL TIPS

1. To switch from active mode to Disable mode (Airplane mode), simply remove the battery.
2. To switch from Disable mode (Airplane mode) to working mode, reinstall the battery. The FINDER will be successfully paired after this.
3. Press and hold the button until you hear 1 prompt tone, followed by 2 consecutive prompt tones, and then 3 consecutive indicator tones. Continue to press for 5 seconds. When you hear a long indicator tone, release the button to restore the device to its factory settings..
4. To remove the FINDER from your Apple devices, open the Find My app, select 'items,' find the device, and scroll down to click on 'Remove this device.'
5. If the FINDER fails to connect to the Find My app, follow the instructions in section 3.3 to perform a factory reset, and then restart the pairing process.

Important matters

The FINDER contains delicate electronic parts, including a battery. To avoid damage, loss of function, or potential harm, please refrain from dropping, hitting, puncturing, crushing, disassembling, exposing it to extreme heat or liquids, or placing it in areas with a high concentration of industrial chemicals.

WARNING: Do not swallow the battery; there is a chemical burn hazard

Choking Hazard Warning

The FINDER, its battery compartment door, the battery itself, and the case may pose a choking hazard or cause injury to small children. Please keep these items out of reach of young children

Medical Device Interference

The FINDER contains components and radios that emit electromagnetic fields, as well as magnets. These elements may potentially interfere with pacemakers, defibrillators, or other medical devices. To ensure safety, maintain a safe distance between your medical device and the FINDER. We strongly advise consulting your physician and the manufacturer of your medical device for information that is specific to your situation. If you suspect that the FINDER is interfering with your pacemaker, defibrillator, or any other medical device, discontinue its use immediately.

Important Handling Guidelines

It's normal for the FINDER to show discoloration with regular use. To clean it, use a soft, dry, lint-free cloth. Avoid applying pressure with sharp objects on the rubber seal or the battery terminal contacts inside the device. Do not allow moisture to enter any openings or use aerosol sprays, solvents, or abrasive materials to clean the device.

Legal notice

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements.
