1×Wireless Vertical Mouse

1×User Manual

Product Overview

1. Forward/Backward Button (Windows) Switch Applications (macOS)
2. Left Button
3. Right Button
4. Scroll Wheel
5. DPI Switch Button
6. Indicator (Low Battery/DPI Level)
7. Power On/System Switch
8. Optical Sensor
9. USB Receiver
10. Mouse Feet Film (Removable)

Windows/macOS Switching

- The operation of the mouse scroll wheel and the side buttons follows the system's logic.
- Adapts to Windows by default, and can be adapted to macOS by sliding the bottom switch.

2.4GHz Connection

Install the battery, then turn it on. Plug the receiver into your computer, then the mouse

is ready for use.

Unable to Use?

1.

Unplug the receiver

2. Press and hold “Left Button+Scroll Wheel+Right Button”

Red indicator flashes

3. Replug the receiver

DPI Adjustment

The mouse sensitivity defaults to 1600 DPI. By pressing the DPI switch button, you can cycle through different sensitivity levels.

Low Battery

Low battery: Indicator keeps flashing for about 10s.

⚠ WARNING

1. The product needs to have AA batteries installed before use. When in use, do not disassemble, hit, crush, or throw it into the fire.
2. Discontinue use immediately if the battery is severely swollen.
3. Do not use it in a high-temperature environment.
4. Do not use the battery if it is immersed in water!
5. The battery is hazardous. Please keep this product out of the reach of children.
6. If the battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death. If you think battery might have been swallowed or placed inside any part of the body, seek immediate medical attention.
7. If the battery compartment is not securely closed, stop using the product, remove the battery and store both the product and battery out of reach of children.
8. Please store this product in a dry place, at room temperature.
9. Please do not shine the light directly into human eyes.
10. To save energy and protect the environment, please power off the product if not in use for prolonged periods.
11. Handle and store the USB receiver carefully to prevent ingestion or insertion into the body.
12. Do not charge the battery. If the battery is low, please replace it in time. Do not reverse the polarity when replacing the battery.

- 13. To prevent product damage from battery leakage and corrosion, please remove the battery if not in use for prolonged periods.
- 14. If battery leakage occurs, avoid contact with skin or eyes. In case of contact with skin or eyes, rinse with water and seek medical attention immediately.
- 15. Retain the original product literature for future reference.

Specifications

Model	M571
Connectivity	2.4GHz
Frequency Band	2400MHz-2483.5MHz
Max. RF Output Power	OdBm (EIRP)
Transmission Distance	10m/33ft (no blocking)
DPI (Sensitivity)	1000/1600/2000/4000 DPI
Battery Type	Alkaline Battery
Battery Mode	1 x AA
Rated Voltage	1.5V 
	Windows 7/8.1/10/11
Compatible Systems	macOS 10.5 or later
	Linux
	Chrome OS
	Android 5.0 or later
The data are measured by UGREEN lab but may vary based on specific circumstances.	

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

This symbol on the product(s) and/or accompanying documents indicates that, under the new Directive 2012/19/EU on waste electrical and electronic equipment (WEEE), product(s) used electrical and electronic equipment (WEEE) should not be mixed with general household waste. For proper treatment, recovery and recycling, please take this product(s) to designated collection points where it will be accepted free of charge.

Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling.

Please contact your local authority for further details of your nearest designated collection point. Penalties may be applicable for incorrect disposal of this waste, in accordance with your national legislation.

For professional users in the European Union

If you wish to discard electrical and electronic equipment (EEE), please contact your dealer or supplier for further information.

For disposal in countries outside of the European Union

This symbol is only valid in the European Union (EU). If you wish to discard this product please contact your local authorities or dealer and ask for the correct method of disposal.

EU Declaration of Conformity

Hereby, Ugreen Group Limited declares that the product model is in compliance with Directive 2014/53/EU & 2011/65/EU. Learn more about the EU Declaration of Conformity from the following
