27. "PROMPT TONE": PROMPT TONE

Press to adjust prompt tone level, the display will show: "PT O", "PT 1", "PT 2", "PT3".

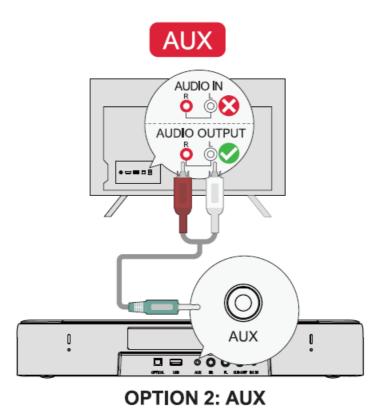

CONNECT TO TV VIA OPTICAL/AUX

OPTION 1: OPTICAL

- 1. Make sure the TV's port is OPTICAL OUT, and connect both sides of the cable to OPTICAL, for both the TV and the soundbar.
- 2. Make sure the optical plug is inserted correctly as shown in the picture. Do not insert the plug upside down and break the optical.

Note: If audio is playing from the internal TV speakers, mute or minimize the TV volume.

- 1. Connect the 3.5mm to RCA audio cable (Not included) to connect to your TV's RCA AUDIO OUT port.
- 2. Make sure the color of the cable ends matches the color of the TV ports.

Note: Please remember to unplug the AUX cable from the TV and Soundbar when you want to switch to another mode.

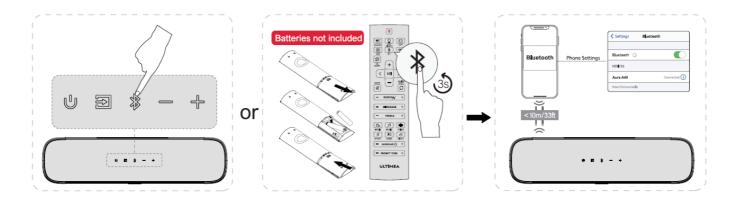

In Optical Mode: If there is no sound, try setting the TV audio output to PCM: TV Settings > Home > Settings > Sound > Digital Audio Output > PCM

CONNECT TO BLUETOOTH

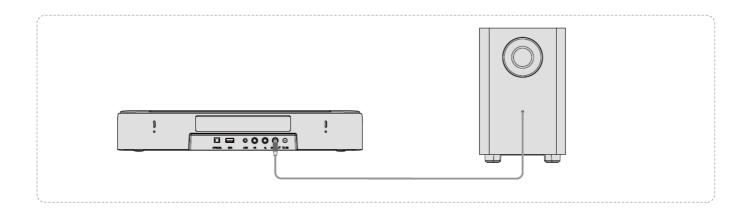

- 1. Press the "D" button on the soundbar or remote control to enter Bluetooth pairing mode.
- 2. Open your phone's Bluetooth settings, find and select "Aura A40" to connect the soundbar.

Note:

If it's already in Bluetooth mode and connected, press and hold the "button for 3 seconds to disconnect the current device and connect to the new device manually on your mobile phone / PC / TV.

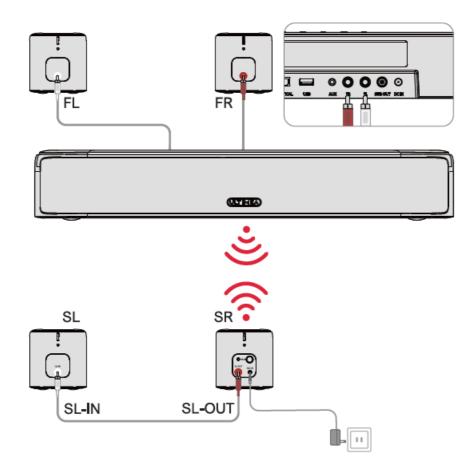

CONNECT SUBWOOFER TO SOUNDBAR

- The subwoofer and Soundbar are connected via a wired connection.
- Simply connect the wire from the back of the subwoofer to the SUB OUT port on the Soundbar.

CONNECT SURROUND SPEAKER TO SOUNDBAR

- The front surround speaker is connected to the Soundbar via a wired connection. Use the front surround cable (FR & FL) to connect the front surround to the Soundbar.
- Connect the rear left surround speaker and rear right surround speaker with the rear surround cable, and connect the rear right surround speaker to the power supply. When the Soundbar is powered on, the surround speakers will automatically pair with the Soundbar. When the indicator light on the rear right surround speaker is steady, it indicates successful pairing.
- Manual pairing: Press and hold the Surround button on the remote control for 5 seconds. The display screen will show "SUR" and flash. Press and hold the Pair button on the right surround for 5 seconds. The indicator

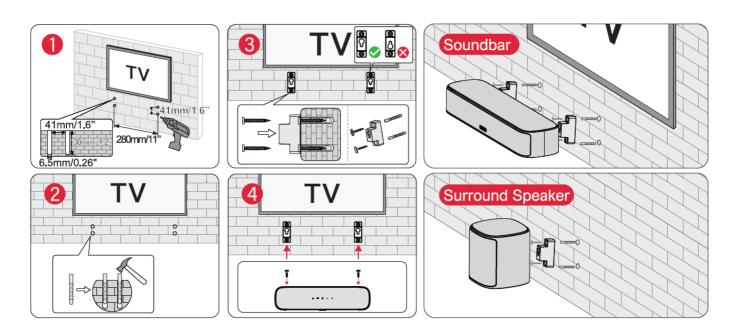

PLACEMENT RECOMMENDATION

For a better listening experience, lay out the entire system as shown in the picture above.

WALL MOUNT INSTALLATION

Note:

The wall mount bracket used for the surround speakers is identical to that of the soundbar, so the vertical hole spacing is the same as that of the soundbar, and the installation method is also the same.
