Start with Full Assembled Cart

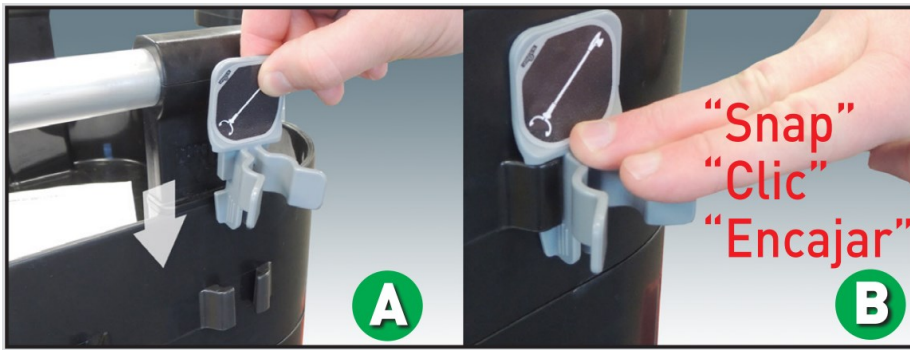

Scan here for video on how to assemble cart

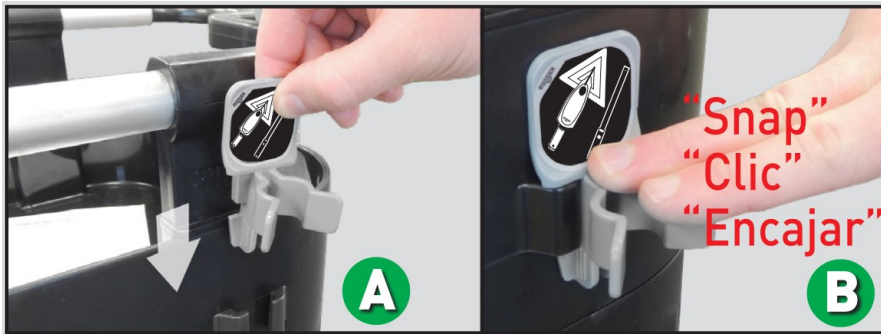

Attach Clips/Tool Holders to Cart

See page 2 for recommended clip placement.

Attach all Tool Holders. Be sure they “Snap” into place.

Attach Stingray

Attach 4 Stingray clips to cart. Attach head and extension pole of Stingray.

NOTE: Keep pole openings from resting on bottom of cart. Liquid getting inside could cause damage.

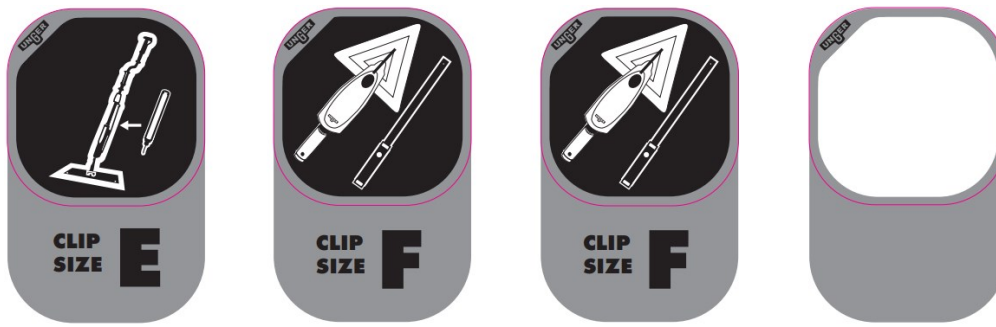

Place Omni Clean Mopping System onto the Cart

Omni Clean wheels fit into front drip tray of larger cart. Raise handle of bucket closest to the main cart for best positioning.

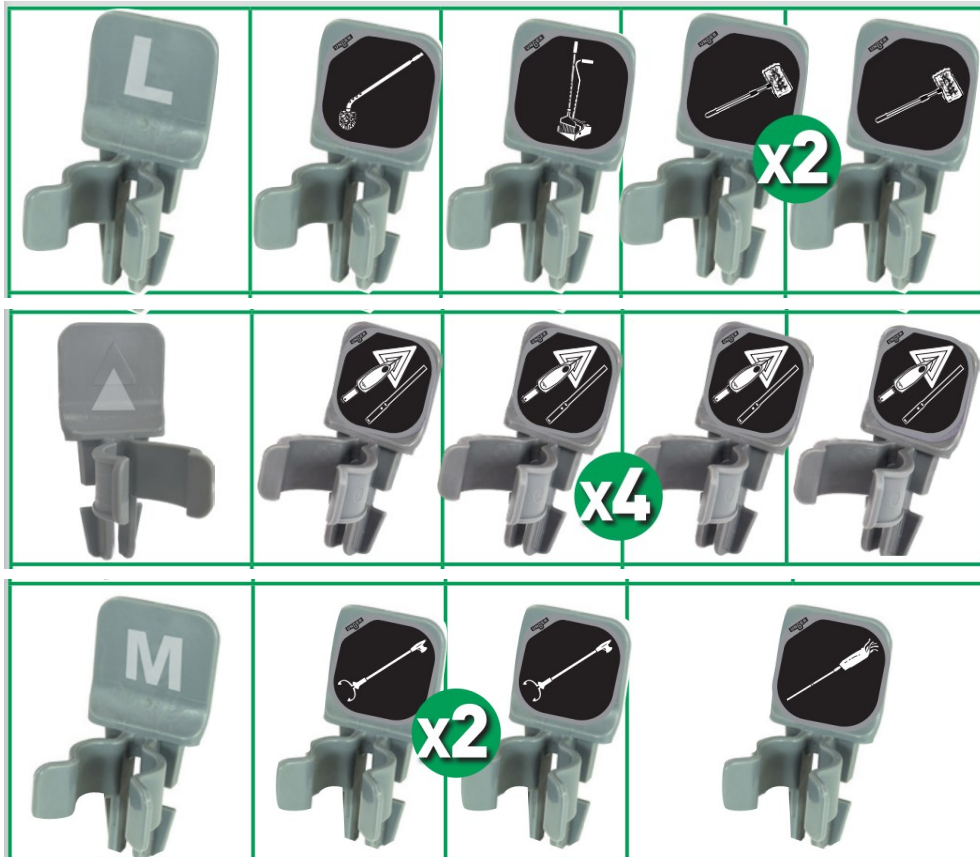

CLIP SIZE

 <p>CLIP SIZE L</p>	 <p>CLIP SIZE L</p>	 <p>CLIP SIZE L</p>	 <p>CLIP SIZE L</p>
 <p>CLIP SIZE M</p>	 <p>CLIP SIZE M</p>	 <p>CLIP SIZE L</p>	 <p>CLIP SIZE L</p>
 <p>CLIP SIZE A</p>	 <p>CLIP SIZE B</p>	 <p>CLIP SIZE C</p>	 <p>CLIP SIZE D</p>

Label clips with stickers. To ensure that all tools fit on the cart, please follow the recommended placement of each tool, as shown below.

This is a universal sticker sheet for all Unger carts. Some clip stickers will not be utilized with the cart system you purchased.
