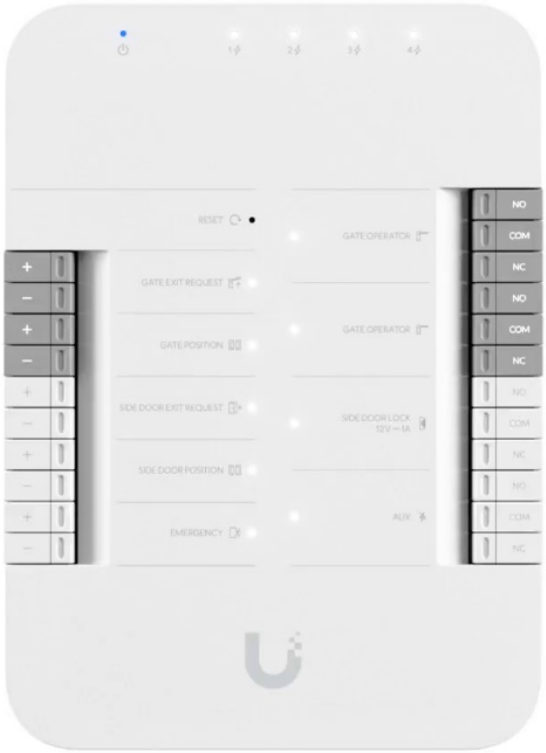
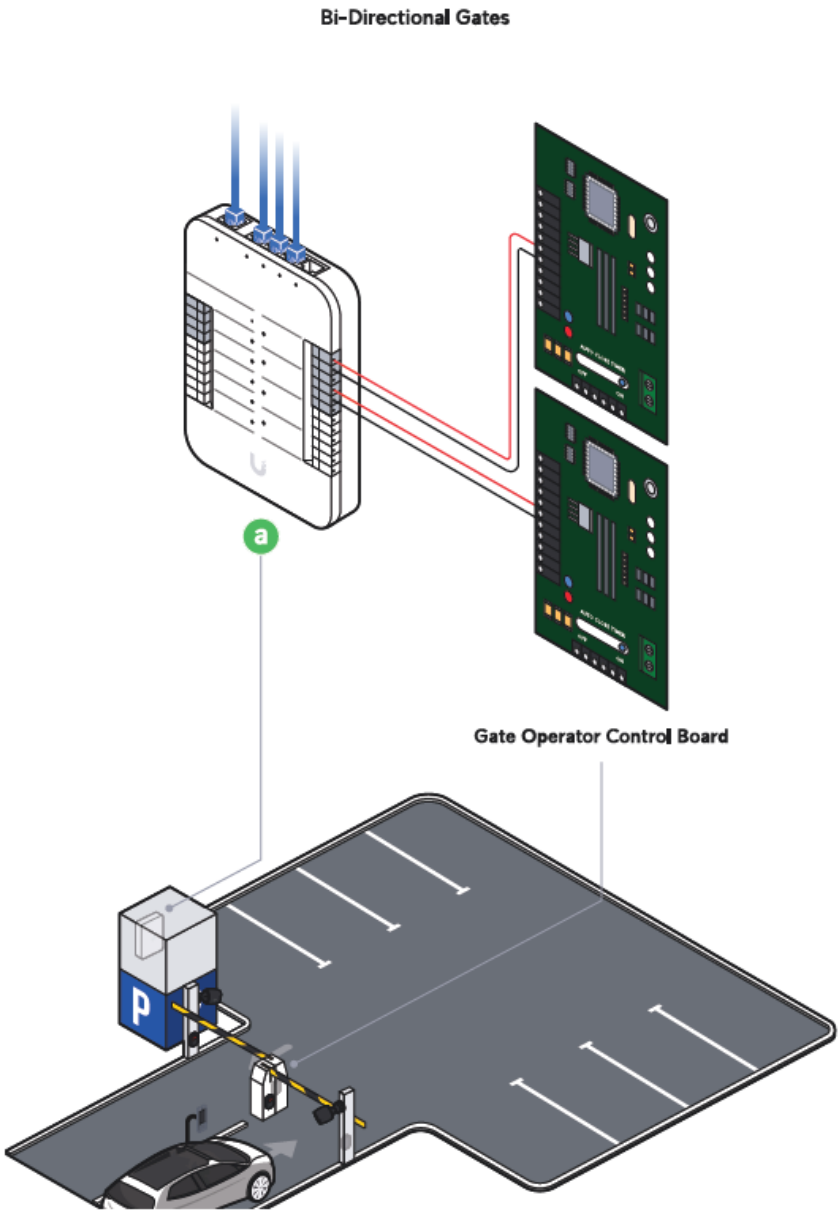
Unifi Gate Hub



Product Information

The Gate Hub is a smart home device that acts as a central hub for connecting and controlling various smart devices in your home.



Specifications

- Model: Gate Hub
- Compatibility: Works with a variety of smart home devices
- Connectivity: Wi-Fi, Bluetooth
- Power: AC adapter
- Dimensions: 5.5 x 5.5 x 1.5 inches

Step 1: Unboxing

- Unbox the Gate Hub and ensure all components are included.

Step 2: Placement

- Place the Gate Hub in a central location within your home to ensure optimal connectivity with all smart devices.

Step 3: Power On

- Connect the Gate Hub to a power source using the provided AC adapter.

Step 4: Setup

- Download the Gate Hub app from the App Store or Google Play Store and follow the on-screen instructions to set up the hub.

Step 5: Connect Devices

- Use the app to connect your smart devices to the Gate Hub for centralized control.

Step 6: Control

- You can now control and manage your smart home devices through the Gate Hub app or voice commands, if compatible with voice assistants.
