HT330 Gun Grip

Package

Please make sure the following contents are in the gun grip gift box. If something is missing or damaged, please contact your Unitech representative.

Gun Grip

Assemble with terminal

Slide the terminal into the gun grip, and make sure the terminal completely fits with the gun grip.

Disassemble with terminal

Grab two protrusions on both sides of gun grip, and bent outward. Push HT330 up and remove it from the gun grip.

CAUTION!

- To ensure the unit working properly, please keep all connectors away from the contaminants staying inside of them such as dust, grease, mud, and water. The negligence may cause the unit with no communication, short circuited, overheated and so on.
- If the connector is damaged, please ensure the connector is being fully repaired before using the unit to avoid causing short circuited.
