D1100A Multi Port Switch Game Card Reader

Thank you for choosing Unitek Multi-port Switch Game Card Reader. Please read the user manual carefully before use and save them. If you need any help, please contact our professional customer service team at: support_us@unitek-products.com

Product Diagram

LED Light Indicator

- A: 1 Game Card Slot: Red
- B: 2 Game Card Slot: Orange
- C: 3 Game Card Slot: Pink
- D: 4 Game Card Slot: Yellow

Package Contents

- 1 x Switch Game Card Reader
- 1 x USB A to C Power Cable

How to Use

- Step 1: Snap the Switch Game Card Switcher into the Switch Dock.
- Step 2: Connect the USB C cable to the Switch Dock.
- Step 3: Insert the connecting plug into the game card slot on Switch Console.
- Step 4: Insert the game cards you need into the card slots accordingly.

Note

1. When multiple game cards are inserted into the switch game card reader, all games will show on the display or TV screen but it can read ONLY one game at one time. And you will always need to switch between different games using the “switch” button.
2. When playing the game, please do NOT insert a new game card. Or else it will exit the current game and switch to the new game card automatically.

Warranty

The Unitek Multi-port Switch Game Card Reader is covered by Unitek warranty for 24 months. If the product fails due to manufacturer defects, please contact us by email at: support_us@unitek-products.com
