## Package Contents

- 1 x uCharge Station HP6
- 1 x Apple Watch Stand
- 1 x AirPods Stand
- 1 x 20V/4A DC Power Adapter
- 8 x Separator Slats (5x tall + 3x short)
- 1 x User Manual

**Pieces/Carton:** 10 pieces/carton

## Product Usage Instructions

### 1. Step 1: Setup

Place the uCharge Station on a flat surface in a well-ventilated area near a power outlet.

### 2. Step 2: Connection

Connect the included 20V/4A DC Power Adapter to the input port of the uCharge Station.

### 3. Step 3: Device Placement

Organize your devices on the charging station. Use the Separator Slats to create compartments for different devices.

### 4. Step 4: Charging

Connect your devices to the appropriate ports for charging. The station supports fast charging for compatible devices.

## FAQ

### Q: Can I charge multiple devices simultaneously?

A: Yes, the uCharge Station HP6 supports simultaneous charging of multiple devices thanks to its various ports.

### Q: Is the charging station compatible with all device types?

A: The station is designed for wide compatibility, but it's always recommended to check your device's specifications before charging.
