Safety Instructions for LED Lighting

This LED lighting system is intended for indoor use only and must be protected from dirt, moisture, water, and direct sunlight. Do not drop the product or expose it to

strong impacts.

Do not open the product. Before installation, inspect all parts for visible damage and do not use any damaged components. Clean the product only with a lint-free, slightly damp cloth. Avoid using harsh cleaners or allowing water to enter the product.

Use only the supplied power adapter and disconnect the power supply before installation, maintenance, or prolonged periods of non-use. Keep the controller’s battery out of the reach of children, as swallowing it poses a life-threatening risk.

Mount the system only on stable, non-flammable surfaces. Ensure that cables are not damaged, and do not cover the LEDs or allow them to come into contact with flammable materials. Keep all components, including cables, small parts, and the controller, out of the reach of children.

Dispose of electronic components and batteries in an environmentally responsible manner and in accordance with EU Directive 2012/19/EU (WEEE) at designated collection points.
