V.C.FORMARK

V.C.Formark Globe Salt Lamp

INTRODUCTION

With its warm glow and healing aura, the exquisitely handcrafted V.C. Formark Globe Salt Lamp brightens your room. Made from 100% genuine Himalayan salt crystals, every piece is different in form, size, and colour, thereby adding a unique touch to your house or business décor. This lamp offers a stunning 8-color shifting effect from a strong, real wood base, therefore producing a calming environment ideal for yoga, meditation, and relaxation. It's handy and energy-efficient with a basic USB connection and no bulb replacement is needed. Designed by V.C. Formark, this lamp—launched on July 4, 2019—is a great complement to any environment or a considerate present for loved ones. At **\$22.90**, this little yet elegant piece is perfect for someone looking for a distinctive decoration and wellness-boosting object.

Price	\$22.90

WHAT'S IN THE BOX

- lamp
- Manual

FEATURES

- **Hand-Carved Unique Design:** Every lamp is hand-carved from real Himalayan salt, hence varying in size,

form, and color.

- **Globe-Shaped Art Deco Style** – Its magnificent Art Deco look is improved by its smooth, round form, which also modernizes any environment.
- Features eight lovely colors and automated cycling to provide a peaceful environment from LED changing.
- Equipped with a 55-inch long USB connection, USB Powered is simple to run from several sources like adapters, power banks, and laptops.
- The built-in LED bulb is irremovable, hence regular bulb changes are not necessary.
- Easy to use and operate, the Push Button Switch has a basic push-button interface.
- Perfect for small areas, our lightweight and compact design weighs just 9.6 ounces and measures 3.1" x 3.1".

- Designed with a strong wooden base for increased stability and lifetime, this is durable.
- Perfect for offices, meditation areas, and bedrooms, the multicolour glow is a mild, soothing one.

Multiple color gradients

- **Energy Efficient (3W LED, 5V USB)** — This environmentally friendly lighting choice uses less power.
- Made from actual Himalayan salt crystals, 100% natural Himalayan salt is thought to enhance air quality and relaxation.

100% Pure & Nature

Originated from Himalayan Mountains in Pakistan, the salt rock lamp simulates the shape of a sphere for hand-carved.

TIP : The package does not included the AC Adapter and Power Bank

USING MODE :

-  **Adapter**
(not included)
-  **Power Bank**
(not included)
-  **Computer**
(not included)

- Thanks to its elegant style and wellness advantages, perfect gift choice—ideal for housewarming presents, holidays, and birthdays.
- **Improves Mood & Ambiance:** Warm salt glow and changing colours might help lower tension and sharpen concentration.
- Living spaces, yoga studios, meditation rooms, and a nightlight can all benefit from multipurpose use.
- Made by the well-known company for excellent home décor and salt lamps, Trusted Manufacturer (V.C. Formark)

SETUP GUIDE

- **Open the packaging carefully:** to prevent breaking the salt lamp or wooden base.
- Choose a suitable place for the light in your bedroom, office, or living room—a level, steady surface.
- Make sure you have proper ventilation; the lamp performs best in a well-ventilated space to stop moisture accumulation.
- Insert the 55-inch USB cord into a power source such as a laptop, wall adapter, or power bank plug-in.
- Turn on the lamp by pressing the push-button switch to run the LED light.
- Press the button one more to cycle through the eight hues or let automatic transitions.

- Choose a stable power source to make sure the USB adapter generates 5V output, therefore avoiding power fluctuations.
- Steer clear of placing the lamp close to open windows, sink or humidifier.
- **Use in a Dark Environment:** A dark or dim room would help the colours and glow to seem best.
- Look for a secure base; make sure the wooden base rests level to stop tipping.
- Test the Color Cycle by letting the lamp run for a few minutes to see if it has an automated color-changing ability.
- Keep the USB cable neat; use cable ties or clips to prevent twisted cables.
- Look for salt sweating; the lamp can draw moisture from the air if you see wetness.
- **Stay Away from Direct Sunlight:** The natural colour of salt crystals may fade with sun exposure.
- Turn off the LED lamp when not in use to help to extend its lifetime.

CARE & MAINTENANCE

- Dust and salt residue can be wiped using a gentle, dry cloth.
- Steer clear of water by not washing or cleaning with moist towels or damp cloths; the salt will dissolve in these materials.
- Store in dry surroundings to stop salt perspiration in a low-humidity area.
- Cleaning crevices can be accomplished with a small brush; a soft brush or dry paintbrush will aid here as well.
- **Unplug When Not Using:** To stop overheating, disconnect the USB when not in use.
- Regularly check the wooden foundation to make sure it is dry to prevent damage.
- Steer clear of extreme temperatures; keep the lamp away from radiators, heaters, and direct sunshine.
- Keep away from children and pets; salt lamps are delicate and pets may be enticed to lick their surface.
- Store silica gel packs next to the bulb to help to absorb extra moisture.
- **Store the USB cable carefully:** avoid twisting, bending, or too forceful tugging of the cable.
- Check the LED functionality; if the LED fails, get in touch with V.C. Formark customer service since the bulb cannot be replaced.
- **Do not cover the lamp:** let air flow around it to stop moisture accumulation.
- Keep in an indoor environment; this lamp is not meant for outside usage.
- Use moderate room temperature; do not put the lamp in extremely cold or hot environments.
- Watch for Salt Degradation; handle carefully as the salt could get rougher or slightly chipped over time.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lamp not turning on	USB not properly connected	Ensure the USB plug is securely inserted
Dim light output	Power source issue	Try a different USB power adapter
Uneven color change	Internal LED issue	Reset by unplugging and re-plugging
Flickering light	Loose connection	Check and secure USB connection
Not cycling through colors	Software glitch	Disconnect and reconnect power
Salt crystal sweating	High humidity	Keep in a dry environment
Base unstable	Uneven surface	Place on a flat, stable surface
No manual color setting	Built-in feature	Color cycle is automatic
USB cable too short	Placement issue	Use a USB extension cable
Light stops working	Internal failure	Contact manufacturer for warranty claim

This guide ensures you get the best experience from your **V.C.Formark Globe**

PROS & CONS

Pros:

1. Made from 100% natural Himalayan salt.
2. USB-powered with a long 55-inch cord for convenience.
3. No need for bulb replacement (built-in LED).
4. 8-colour changing effect for a soothing ambience.
5. Compact and stylish design suitable for any space.

Cons:

1. Small sizes may not be suitable for large rooms.
2. Irremovable bulb limits customization.
3. Colour changes cannot be manually fixed to one shade.
4. Requires USB power, no battery operation.
5. Slight variations in colour and size due to hand-carving.

WARRANTY

The V.C.Formark Globe Salt Lamp comes with a **30-day** limited warranty that covers manufacturing defects. To claim the warranty, customers must return the product in its original packaging and provide a valid proof of purchase, such as a receipt or invoice. Additionally, the item must be securely packaged for return shipping to prevent damage. Please note that shipping costs are non-refundable and must be covered by the customer.
