VAXLAMP MFL005 Nordic Floor Lamp

Installation Instructions

SKU:MFL00S

Dear user: Thank you for using this product. Please read the instructions carefully for installation.

- (A) Lamp Body
- (B) Lampshade
- (C) Bulb

Product Overview

- **Model:** MFL005 (sometimes labeled MFL00501)
- **Design:** Nordic-inspired, minimalist iron arch with a frosted glass globe that hangs from the arc
- **Dimensions:** Diameter ~46cm, Height ~170cm (approx. 18" × 67")
- **Materials:** Iron body in gold finish with a milky glass globe
- **Light Source:** LED with included bulb (E26 or E27 socket, depending on region)
- **Color Temperature:** Adjustable—choose from Warm (2700-3500K), Neutral (3500-5500K), or Cool/White (5500-7000K)
- **Control:** Operated via a foot switch (no smart connectivity by default)
- **Voltage:** Supports 110–240V worldwide, depending on your region

Use & Suitability

- **Ideal for:** Living rooms, bedrooms, reading corners, or study spaces—where you want a sculptural ambient lamp with a modern gold finish.

Considerations:

- If you want dimming or a fixed Kelvin temperature, plan ahead and ask at purchase time.
- Inspect the packaging carefully at delivery and test wiring, as some users reported issues.

Assembly Instructions

Step	Description
1	Unpack all parts carefully. Make sure the lamp base, pole, arc arm, globe shade, and power cable are included.
2	Connect the lamp pole to the base by aligning the screw holes and tightening with the included screws or wrench.
3	Attach the arched arm to the pole top, ensuring it's secure and aligned. Use locking screws if included.
4	Install the light bulb (E26 or E27 socket). Use an LED bulb with the desired color temperature (2700K–7000K).
5	Mount the frosted glass globe over the bulb. Secure it with the provided ring, screws, or clips—handle gently.
6	Connect the power cable to the nearest outlet (110–240V supported). Avoid using extension cords if not needed.

Step	Description
7	Turn on the lamp using the foot switch located along the power cable. Step gently to toggle.
8	Test the lamp. Ensure the globe is stable and the light turns on smoothly.

Usage Tips

- **Foot Switch:** Located on the power cord. Tap with your foot to switch the lamp on or off.
- **Bulb Change:** Power off and let the bulb cool before removing or changing it.
- **Custom Light Temperature:** Choose your preferred bulb—warm (2700K), neutral (4000K), or cool white (6000K+).
- **Dimming:** Only possible with compatible dimmable LED bulbs + dimmer switch (not included).

Care & Maintenance

- **Dust weekly** with a soft microfiber cloth.
- **Avoid harsh chemicals**—clean the glass globe with mild soapy water and dry immediately.
- **Check the stability** of screws and globe monthly.
- **Don't tilt** the lamp or place it on uneven flooring.
- Store original packaging if you may return or relocate.

FAQs

- **Q: What is the model number of this floor lamp?**

A: The model is **VAXLAMP MFL005**, also labeled as MFL00501 in some regions.

- **Q: What type of bulb does the MFL005 use?**

A: It uses a **standard E26 or E27 LED bulb** depending on your region.

- **Q: Is the bulb included with the floor lamp?**

A: Yes, a compatible LED bulb is typically included, but you can replace it with one of

your choice.
