GUARANTEE CONDITIONS

ATTENTION: the guarantee is not valid without the receipt or the invoice

GUARANTEE CLAUSES

1. The product is guaranteed for 24 months from the date of purchase against defects in materials and manufacturing
2. Excluded from the guarantee are the esthetic components, the batteries, the knobs, the LEDs, the bulbs, removable parts subject to wear, damage due to negligence, use, incorrect installation, or installation not in accordance with the warnings in the instruction manual or however caused by phenomena outside the normal operations of the product. In particular, and as an example, note that the cutting of the power cord of the transformer or the fact of forgetting to recharge the lead batteries of the products which use them invalidate the guarantee.
3. The guarantee is invalid if the product has been tampered with or repaired by unauthorized personnel.

4. Guarantee means the substitution or repair of components identified as defective from manufacturing including the labor costs.
5. On behalf of Velamp Industries SRL discretion, the entire product can be substituted by the same model or an alternative product, without constituting any guarantee extension.
6. Compensation for either direct or indirect damage of any nature to persons or things, for the use of or the suspension of the use of the product, is excluded.
7. The client is responsible for any transportation fees and risks.
