**VELOGK VL-CC20 Retractable Car Charger**

## Product Features

### Quick Charging Capability

- The Retractable Car Charger ensures efficient and consistent charging for your devices.
- It comes equipped with overcharge, overcurrent, overvoltage, temperature control, and short-circuit protection to safeguard your device's battery from overcharge damage.

### Flexible Retractable Design

The Retractable Car Charger features a retractable design, allowing you to extend the charging cable within an 80cm range. When not in use, it automatically retracts, keeping your setup tidy and free from tangled cables. It's designed for convenient control and usage.

### Multi-Fast Charging Protocol Certification

This car charger is compatible with devices supporting various fast charging protocols, including PD, QC3.0, AFC, MTK, and FCP. It's suitable for a wide range of devices, including iPhones (14/13/12/11/Plus/Pro/Pro Max/mini/XS/XS Max/XR/X/8 Plus/8/7 Plus/7/6S/6), Samsung Galaxy series (Note 20 Ultra/Note10 Plus/S23/S22/S22+/S22 Ultra/S21+/S20/S10 5G/A54/S/S9 Plus/S8+/Note 9), Google Pixel series (Pixel 7/7a/6/6a/5/4xl/3xl/2xl/3a/4/4a/Nexus 6P), and more.

### Suitable for Various Vehicle Models

The Car Charger is compatible with a wide range of vehicle models. It fits securely into the standard 12V-24V car sockets and won't pop out even when driving on bumpy roads.
