VEVOR DT-1036 Roll Top Chafing Dish Buffet Set

**Product Information**

- **Product Name:** Round Chafing Dish DT-1036
- **Model Number:** DT-1036
- **Brand:** VEVOR
- **Manufacturer:** VEVOR

**Product Parameters:**

Name	Parts	Quantity
Food Pan	1 PCS	
Water Pan	1 PCS	
Lid	1 PCS	
Bracket	1 PCS	
Fuel Holder	1 PCS	
Frame	1 PCS	
Screw	9 PCS	
Tripod	3 PCS	

**Product Usage Instructions**

**Assembly Steps**

1. Unwrap and separate all parts in a clear work area.

2. Assemble parts G and D together.
3. Attach part H to the assembled parts from step 2.
4. Assemble parts C, A, B, and E together.
5. Attach the assembled parts from step 4 to the assembled parts from step 3.

### **Operating Instructions**

Before using the product for the first time:

- Peel off any promotional materials and packaging materials.
- Check that the food pan and water pan are clean and free of dust. If necessary, wipe them over with a damp cloth.
- Spread over with an absorbent kitchen towel and wipe off any excess oil.

### **Notes:**

1. Always use a scald-proof pad when touching the fuel holder as it can get extremely hot.
2. For the best heating efficiency, keep the lid closed when heating, and periodically check the water level since hot water will evaporate into steam.

### **Cleaning and Maintenance**

To clean the frame and cover:

- Use warm, soapy water. Do not use abrasive materials or scouring pads.
- Thoroughly wipe off the mild soap instead of immersing the frame into water.
- If needed, polish with stainless steel cleaner or glass cleaner without ammonia.

Parts that can be cleaned in a commercial dishwasher:

- Food Pan
- Water Pan

**Note:** The appearance of the product may vary from the images shown. Please refer to the product you received for accurate information.

Technical Support and E-Warranty Certificate  
[www.vevor.com/support](http://www.vevor.com/support)

We continue to be committed to provide you tools with competitive price.  
“Save Half”, “Half Price” or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us.

You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

## IMPORTANT SAFEGUARDS

1. Children and minors cannot use this product.
2. Only solid fuel can be used as heating fuel. Do not use gasoline, alcohol, etc.
3. Please use the ignition torch to ignite the fuel.
4. When the fuel is burning, special personnel shall be assigned to watch over it to prevent it from being hit or toppled.
5. Close the metal cover of the container to extinguish the fuel. Do not blow it out.
6. It is not allowed to add new fuel before the burning fuel is extinguished and cooled.
7. Remember to clean the food tray and fuel container after each use.
8. Do not clean with corrosive solvents such as strong acid and alkali

Thank you for using this product. In order to make sure that you can operate the machine correctly, read this instruction carefully before operation and keep it properly for future reference. Please be sure to read the precautions and safety rules listed above to ensure your safe use.

## STEP 4

## STEP 5

## OPERATING INSTRUCTIONS

Before using the product for the first time, peel off any promotional materials and packaging materials, and check that the food pan and water pan are clean and free of dust. If necessary, wipe them over with a damp cloth. Spread over with an absorbent kitchen towel and wipe off any excess oil.

1. Take all the components out of the box and unwrap.

2. Place the frame on a firm surface (see diagram for included parts).
3. Place the fuel holder at the center of the base carefully.
4. Put the water pan into the frame and fill with water (fill in hot water for faster heating).
5. Remove the cover from the fuel holder, and ignite the fuel to heat the water (steam from the heated water will keep the food hot).
6. Place food in the food pan and set this pan into the water pan. The food pan will be suspended above the water. Then, place the cover over the food pan.
7. Replace the cover over the fuel holder to extinguish the burning fuel—DO NOT BLOW IT OUT.

#### **NOTE:**

1. Always use a scald-proof pad when touching the fuel holder. Fuel, fuel holder and its cover can get extremely hot.
2. For the best heating efficiency, please keep the lid closed when heating, and check the water level periodically, since the hot water will evaporate into steam.

#### **CLEANING AND MAINTENANCE**

1. The frame and cover may be cleaned with warm, soapy water. Never use abrasive materials or scouring pads. Thoroughly wipe off the mild soap instead of immersing the frame into water. If needed, you can polish it with stainless steel cleaner or glass cleaner without ammonia.
2. Parts that can be cleaned in a commercial dishwasher: Food Pan and Water Pan.

#### **Tips**

A small plastic rod in the package used to separating these trays.

#### **TOUGH TOOLS, HALF PRICE**

**Note:** the quantity of parts shown in the manual is the actual usage and the unused parts are spare parts. This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there is any technology or software updates on our product.

#### **Documents / Resources**

We continue to be committed to provide you the most competitive price, "Same Half," "Half Price" or any other similar expression, used by any other merchants. We estimate it's always you might benefit from buying certain items at half price compared to the major top brands and does not necessarily mean it's over all categories of items offered by us.

You are kindly reminded to verify carefully whenever you are placing an order with us if you are actually saving half in comparison with the top major brands.
