## VEVOR JMB Button Maker Machine

### Product Information

This button maker machine is designed to help you create badges of different sizes. It comes with various components, including an armrest, upper mold, lower mold, handle, bottom plate, mold head, guard sheet, up mold side positioning pin, plastic sliding rail, and more.

The machine is manufactured by VEVOR and the model is JMB-X3. It is available in black color and is compatible with 25mm, 32mm, and 58mm badge specifications. The machine requires copper plate paper with a weight of 127-157g for optimal results. With the machine, you will receive 50 pieces of metal back plates for each size.

### BUTTON MAKER MACHINE INSTRUCTION MANUAL

We continue to be committed to provide you tools with competitive price.

“Save Half”, “Half Price” or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.
