## Mayfair Mini Table Lamp

### Caution

Before assembling and installing this product, carefully read the following:

- Before first turning on the light fitting the battery should be fully charged using the charger supplied. Chargers and cables approved by VIBIA should only be used. Unauthorised chargers and cables can cause the battery to explode or un-repairable damages.
- This lamp is for indoor use only, excluding bathrooms or any type of humid surface.
- We recommend reading the manual before installing the lamp. Keep this instructions for future reference.
- Do not disassemble, modify or try to repair this fitting. In order to get technical assistance contact VIBIA. Any change or modification to the light fitting can null the manufacturer's guarantee.
- All electronic products and batteries must be taken to separate waste collection points at the end of their working lives, they must not be disposed of in normal household waste. It is the responsibility of the user to dispose of the equipment using a designated collection point or service for separate recycling of waste electrical and electronic equipment (WEEE) and batteries according to local laws.
