Product Usage Instructions

Limited Warranty Information:
Depending on the country or region, the Limited Warranty may or may not be included in the packaging. If not included, it can be found on the ViewSonic website.

Connecting the Display:
When connecting the display to an external device (PC, etc.), use the included video cable and accessories and follow the instructions in the manual.

Power Accessory and Video Cable:
The standard of the included power accessory and video cable may vary by country, region, or environment. Refer to the product page and user guide for details.
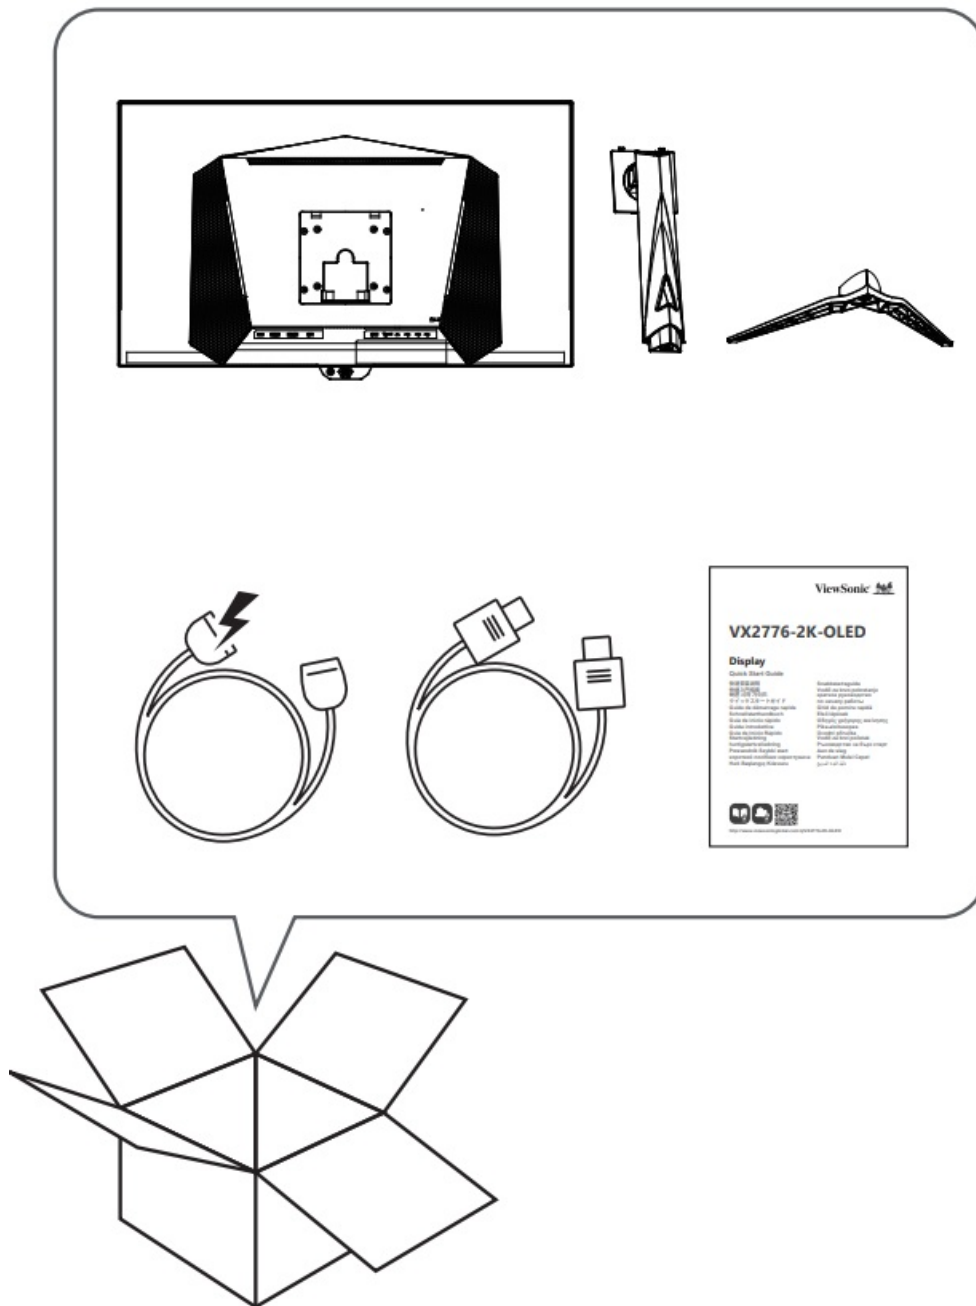

Wall Mount Installation:
This monitor can be used with a 75mm x 75mm VESA-compatible wall mount. Follow the wall mount installation guide in the user manual when installing.

Customer Support:
Contact the Customer Support Center for any product inquiries.

WHAT'S IN THE BOX

INSTALLATION

Please follow the wall mount installation guide in the user manual when installing.

- Please contact our Customer Support Center for inquiries about the product.
- ViewSonic shall not be liable for technical or editorial errors or omissions contained herein.

PLUG-IN MODES

- Depending on the country or region, the Limited Warranty may or may not be included in the packaging. If the Limited Warranty is not included in the packaging, it can be found on the ViewSonic website.
- When connecting the display to an external device (PC, etc.), please use the included video cable and accessories and follow the instructions in this manual.
- The standard of the included power accessory and video cable may differ depending on your country, region, or environment. For details on the included items, please refer to our product page and user guide.
- This monitor can be used with a 75 mm x 75 mm VESA-compatible, UL-certified wall mount (M4 x 14 mm screws x 4).

Cleaning the LCD Display

• MAKE SURE THE LCD DISPLAY IS TURNED OFF.
• NEVER SPRAY OR POUR ANY LIQUID DIRECTLY ONTO THE SCREEN OR CASE.

To clean the screen:

1. Wipe the screen with a clean, soft, lint-free cloth. This removes dust and other particles.
2. If the screen still not clean, apply a small amount of non-ammonia, non-alcohol-based glass cleaner onto a clean, soft, lint-free cloth, and wipe the screen.

To clean the case:

1. Use a soft, dry cloth.
2. If the case still not clean, apply a small amount of a non-ammonia, non-alcohol-based, mild non-abrasive detergent onto a clean, soft, lint-free cloth, then wipe the surface.
