VIVOTEK ND9326P 8-Channel AI Network Video Recorder

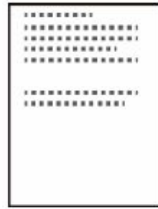

Warning Before Installation

- Power off the Network Video Recorder if you detect abnormal smell or smoke coming from it.
- Keep the Network Video Recorder away from water. If the Video Recorder is wet, power off immediately.

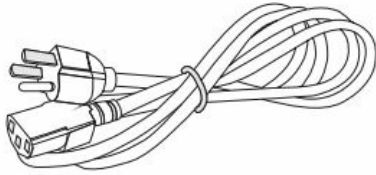

PLEASE NOTE: VIVOTEK does not provide warranty or technical support for third party application software that users additionally install and run on the NVR.

- Do not attempt to remove or uninstall the software on the mounted flash memory.

Please do not connect the NVR's PoE ports to non-PD* devices (such as an Ethernet switch LAN port). The Ethernet control circuits may not be compatible.

- PD = A Powered Device designed to receive power source from a PoE connection such as network cameras.

Please contact authorized distributors for warranty and RMA service. Visit <https://www.vivotek.com/support/warranty-rma>”
