VOLLRATH 74703D Drop In Induction Retherm

## Product Information

### Specifications

- Manufacturer: The Vollrath Company, L.L.C.
- Part Number: 26237-1
- Website: [www.vollrath.com](http://www.vollrath.com)
- Address: 1236 North 18th Street Sheboygan, WI 53081-3201 U.S.A.
- Main Tel: 800.624.2051 or 920.457.4851
- Main Fax: 800.752.5620 or 920.459.6573
- Customer Service: 800.628.0830

### Product Usage Instructions

#### Installation Instructions

1. Ensure the rim gasket is installed without stretching it.
2. If needed, use scissors to trim the gasket to the proper length.
3. Continue with the installation procedure as outlined in the Operator's Manual.

### Frequently Asked Questions (FAQ)

- **Q: Can I use this product for outdoor applications?**

A: This product is designed for indoor use only and should not be used outdoors.

- **Q: How often should I clean the product?**

A: It is recommended to clean the product after each use to maintain optimal performance and hygiene.

- **Q: What should I do if I encounter a problem with the product?**

A: In case of any issues or malfunctions, please contact Customer Service at the provided numbers for assistance.

## Installation Instructions

### Mirage® Drop-in Induction Warmer/Rethernalizer Gasket Installation

#### Purpose

This document is a supplement to the Operator's Manual. It explains how to install the gasket onto the rim of the Mirage® Drop-in Induction Warmer and Rethernalizer. Install the gasket before performing the installation procedure in the Operator's Manual.

**NOTICE:** Gasket installation is mandatory. Failure to install the gasket will void the warranty.

1. Turn the equipment so the bottom is facing up.
2. Set the equipment on a stable surface, such as a countertop.
3. Lubricate the gasket with a small amount of liquid dish soap or water.
4. Carefully press the groove of the gasket onto the underside edge of the rim. Take care to evenly press the gasket as you feed it onto the rim, without stretching it.

5. If needed, use a scissors to trim the gasket to the proper length.
6. Continue with the installation procedure in the Operator's Manual.
