INTENDED USE

Only operate the appliance for its intended purpose and within the parameters specified in this manual. This appliance is for domestic use only. Do not use it outdoors or on wet surfaces. This appliance is not intended for use by persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge unless supervised or given appropriate instruction concerning the product's use by a person responsible for their safety. The appliance is not intended to be operated by means of an external timer or a separate remote-control system.

GENERAL SAFETY

Do not allow to be used as a toy. Children should be supervised to ensure they do not play with the appliance. If the appliance is not functioning properly, has been dropped, damaged, left outdoors, or immersed in liquid, do not use it, contact DOMU Brands Customer Services.

Do not use the appliance if any parts appear to be faulty, missing or damaged.

Ensure all parts are securely attached as instructed by this instruction manual before use.

CABLES AND PLUGS

Check to ensure your electricity supply matches that shown on the rating plate. This product should only be used as rated. Preferably, the socket-outlet should be protected by a Residual Current Device RCD (UK/EU) Ground Fault Indicator (US). Do not use a damaged cable or plug. If the supply cable is damaged, it must be replaced by a qualified engineer or authorized service agent in order to avoid a hazard. The use of an extension cable is not recommended.

Do not handle the plug or appliance with wet hands.

Keep the cable away from heated surfaces.

Do not let the cable hang over the edge of the table or countertop where it could be pulled on inadvertently by children or pets.

Do not pull the cable around sharp edges or corners.

Do not leave it unattended when plugged in. Unplug from the outlet when not in use.

Turn off all controls before unplugging.

Do not unplug by pulling on the cable. To unplug, grasp the plug, not the cable.

Always unplug before performing user maintenance, connecting or disconnecting attachments, or changing accessories.

Ensure the cable is stored safely to prevent hazards.

RISK OF PERSONAL INJURY

Always locate your appliance away from the edge of the worktop, on a firm, flat, heat-resistant surface with sufficient space around all sides. Do not insert any objects into openings or cover the appliance.

Do not place any cardboard, plastics, or paper inside or on the appliance unless stated in the instructions. Do not use the appliance near any combustible surfaces. Only use suitable cookware where applicable. Do not use outdoors or near heat sources. Take care not to touch any surfaces that may get hot when in use. Take care not to touch any surfaces that may remain hot for a period of time after use. Never operate the appliance when empty.

Do not overload/overfill the appliance.

When used for the first time your appliance may give off a 'new' smell or vapor. This will dissipate after a few uses.

Do not lift or move the appliance whilst in use. Do not operate continuously for periods longer than those marked on the product or indicated in the instructions.

Ensure the appliance is switched off and unplugged before changing accessories or cleaning. Use only as described in this manual and with DOMU Brands' recommended attachments only.

CLEANING & MAINTENANCE

Never soak or immerse electrical or heating components and or a component that has a plug attached.
