Vorago SlimBayt Desktop Computer

Precautions and Warnings

- Avoid spilling liquids on your computer, as this can lead to malfunction.
- While the computer is powered on, refrain from placing objects that obstruct the equipment's ventilation.
- Do not disassemble the computer equipment, as only a certified technician can perform such operations, and doing so could void the warranty.
- Prevent exposing the computer equipment to electromagnetic fields.
- Use only equipment and accessories approved by the manufacturer.
- Do not dispose of the computer equipment in the municipal waste.
- Ensure that the equipment is connected to a grounded power source, an uninterruptible power supply (UPS), a voltage regulator, or any other discharge protection device.

Front Panel

- USB Type-C
- Launcher SSD
- Box HDD 3.5" to 2.5" Adapter
- Box HDD 3.5" to 2.5" Adapter
- Headphone 3.5mm

Responsibilities

The total responsibility of Vorago will be to repair or replace the product, including labor and parts, at no cost to the buyer when it is returned to the point of sale, presenting this warranty policy properly completed and stamped by the establishment where it was purchased. The product or copy of the receipt or receipt or invoice, in which

data of the product and the date of purchase is specified, to verify the times within the warranty. Vorago may use new parts, restored or used in good condition to repair or replace any product, at no additional cost to the consumer. In the case of equipment and/or accessories that can not be repaired, the change will be generated by a similar product or with superior characteristics. This warranty covers the transportation expenses of the product derived from its fulfillment; which will be directly attributable to the supplier of the product. In all replacement products, the original warranty period will be renewed. Vorago is governed by international standards for the manufacture of products.

How to obtain warranty support

Warranty claims are processed through the point of sale, during the first 15 days after the purchase, as long as they meet the requirements. Guarantee claims that can not be processed through the point of sale and any concerns related to the product purchased should be sent with the prepaid guide by Vorago to the address of the Vorago headquarters in Francisco Villa No. 3, Col. San Agustín, CP 45645, Tzomulco de Zúñiga, Jalisco, Mexico. Except in situations of force majeure or fortuitous event, the repair time in no case will be greater than 30 calendar days from the date of receipt of the equipment in Vorago.

Exclusions

This warranty is valid in the following cases: a) When the product has been used in conditions other than normal. b) When the product has not been operated by the instructions for use. c) When the product has been altered or repaired by unauthorized persons by Vorago. Vorago does not offer any other express warranty for this product. To make the warranty valid, as well as the acquisition of parts, components, consumables, and accessories.

To validate a warranty, the following information must be sent to the email: garantias@voragolive.com

- Model and color
- Product failure
- Ticket or purchase invoice (digitized)
- Your address with CP, telephone, and full Name.

Available in the establishment where the product was purchased and/or in our central offices:

Returns In the case of product return, it will only be the place of purchase by the end customer. Subject to the return policies established by the same seller.

FAQ

Q: What should I do if my computer spills liquid?

A: Immediately disconnect the power source and contact a certified technician for assistance.

Q: Can I disassemble my computer equipment?

A: No, only a certified technician should perform such operations to avoid voiding the warranty.

Q: How do I dispose of my computer equipment?

A: Do not dispose of it in municipal waste. Follow local regulations for electronic waste disposal.

Q: What should I do if my computer is not working properly?

A: Ensure it is connected to a grounded power source and check for any obstructions in ventilation. If the problem persists, contact customer support.

Q: How can I claim the warranty?

A: Contact Vorago customer support with the model and serial number, proof of purchase, and a description of the defect.
