## Keyboard

- Connect the keyboard to a free USB socket on your computer.
- As the keyboard is of a Plug and Play type, just wait for the operating system to automatically install required drivers.
- After your operating system displays a message confirming the drivers have been successfully installed, you can start using the keyboard.

The multimedia features offer easier working with your computer and common applications. Follow the keyboard shortcut icons on individual keys for their use.

## Mouse

Connect the mouse to a free USB socket on your computer.

- As the mouse is of a Plug and Play type, just wait for the operating system to automatically install required drivers.
- After your operating system displays a message confirming the drivers have been successfully installed, you can start using the mouse.

## Extra mouse buttons feature

- Front side button – navigate forward
- Rear side button – navigate back
- Top button – DPI value change

## Headphones

- Plug the headphones into an available USB port on your computer.
- As the headphones are of a Plug and Play type, just wait for the operating system to automatically install required drivers.
- After your operating system displays a message confirming the drivers have been successfully installed, you can start using the headphones.

- **Polling rate:** 125/250/500 [default]/1000Hz
- **Cable length:** 1.5 m
- **Weight:** 73g

## Gaming RGB headset:

- **Driver size:** 0 50mm
- **Rated input:** DC 5V/150mA
- **Impedance:** 320± 15%
- **Sensitivity:** 115 db+/- 3db
- **Frequency response:** 20HZ-20KHZ
- **Cable length:** 2,1 m
- **Weight:** 320g

## System requirements:

USB port

Windows 7/8/10/11

## Instructions and information regarding the disposal of used packaging materials

Dispose of packaging material at a public waste disposal site.

### Disposal of used electrical and electronic appliances

The meaning of the symbol on the product, its accessory or packaging indicates that this product shall not be treated as household waste. Please, dispose of this product at your applicable collection point for the recycling of electrical & electronic equipment waste. Alternatively in some states of the European Union or other European states you may return your products to your local retailer when buying an equivalent new product.

The correct disposal of this product will help save valuable natural resources and help in preventing the potential negative impact on the environment and human health, which could be caused as a result of improper liquidation of waste. Please ask your local authorities or the nearest waste collection centre for further details. The improper disposal of this type of waste may fall subject to national regulations for fines.

## For business entities in the European Union

If you wish to dispose of an electrical or electronic device, request the necessary information from your seller or supplier.

## Disposal in other countries outside the European Union

If you wish to dispose of this product, request the necessary information about the correct disposal method from local government departments or from your seller.

This appliance complies with EU rules and regulations regarding electromagnetic and electrical safety.

Changes to the text, design and technical specifications may occur without prior notice and we reserve the right to

make these changes.
