**vtech 558403 Twist and Teach Animal Cube**

## Product Information

The Twist & Teach Animal Cube is an interactive toy designed to engage and educate children. It features various activities, buttons, and a twisting cube that provide fun sounds, phrases, melodies, and lights. The toy requires 2 AAA batteries for operation.

### Product Features:

1. **On/Off Switch:** Slide the switch to turn the unit on or off. When turned on, it plays a song, phrases, and sounds.
2. **Automatic Shut-Off:** To preserve battery life, the toy will automatically shut off after approximately 35 seconds of inactivity. It can be turned on again by pressing any button or twisting the cube.

### Activities:

1. **Light Up Buttons:** Press the four light up buttons to learn animal names, letters, and colors. The buttons flash with the sounds and play fun animal songs, sounds, and melodies.
2. **Twisting Cube:** Twist the cube to move each animal into four different vehicles and hear fun sounds, phrases, and music. The lights flash with the sounds.

### Battery Removal and Installation:

1. Make sure the unit is turned OFF.
2. Locate the battery cover on the back of the unit.
3. Use a screwdriver to loosen the screw and then open the battery cover.
4. If used batteries are present, remove them by pulling up on one end of each battery.
5. Install 2 new AAA batteries following the diagram inside the battery box. We recommend using alkaline batteries or fully charged Ni-MH rechargeable batteries for best performance.
6. Replace the battery cover and tighten the screw to secure.

## Important Battery Information:

Adult assembly is required for battery installation. Keep batteries out of reach of children. Dispose of used batteries and the product responsibly. Do not dispose of them in domestic waste, as they contain substances that can be damaging to the environment and human health. Check local regulations for proper disposal methods.

**Note:** If the unit powers down or if the light fades out during play, please install a new set of batteries.

## Care Instructions:

Dispose of the product at a small electrical collection point to ensure all its materials can be recycled. Visit [www.recyclenow.com](http://www.recyclenow.com) for collection points in the UK. For Australia and New Zealand, check with your local council for kerbside collections.
