Product Usage Instructions

Installation of Battery

WARNING: Adult assembly is required for battery installation. Keep batteries out of reach of children.

1. Ensure the watch cover is closed.
2. Locate the battery cover on the back of the unit and use a screwdriver to loosen the screw and open the battery cover.
3. Use the screwdriver to push the metal piece as per the diagram to remove the old CR2450 battery.
4. Refer to the diagram inside the battery box to install a new CR2450 battery, pressing it into place.
5. Replace the battery cover and tighten the screw securely.

Powering On and Off

To activate normal play, ensure the new battery is installed correctly. The watch will beep when turned on. If the display does not activate, except for the clock display, it is recommended to install a new battery before further

use.

Wearing Instructions

Ensure the watch is worn comfortably but not too tightly. Remove the watch before bedtime and if it causes discomfort. Keep the wrist and band clean and dry to prevent skin irritation.

Frequently Asked Questions

Q: What type of battery does the Time to Get Tiny Watch use?

INCLUDED IN THE PACKAGE

- One Time to Get Tiny Watch
- One CR2450 battery
- Quick Start Guide

WARNING:

- All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords, and packaging screws are not part of this toy and should be discarded for your child's safety.

NOTE:

- Please save this manual as it contains important information.

Important Note

- Do not place the watch under running water.
- Do not submerge. Not suitable for showering, bathing, or swimming.
- Keep the cover closed when the watch is not in use.

WARNING

- People with very sensitive skin may notice some irritation after wearing the Time to Get Tiny Watch for extended periods. The skin may become irritated when moisture, sweat, soap, or other irritants get trapped under the wristband and are left in contact with the skin. To prevent this, we suggest children remove the watch before going to bed for the night, take the watch off if it's feeling uncomfortable, and keep their wrist and the band clean and dry.
- In addition, wearing the watch too tightly may also irritate. Make sure the fit is tight enough so the watch stays in place but not so tight that it's uncomfortable.
- If you notice any redness, swelling, or other irritation, you may want to consult a doctor before wearing the watch again.

INSTRUCTIONS

WARNING:

- Adult assembly is required for battery installation.
- Keep batteries out of reach of children.
