FAQ:

- **Q: Is this product suitable for children under 3 years?**

A: No, this product is not suitable for children under 3 years due to small parts and choking hazards.

- **Q: How should I clean the unit?**

A: Wipe the unit with a slightly damp cloth to keep it clean.

Avoid using harsh chemicals or excessive water.

VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level…

vtech Baby
Toys that will stimulate their interest in different textures, sounds and colours

Iam …

- responding to colours, sounds and textures
- understanding cause and effect
- learning to touch, reach, grasp, sit-up, crawl and toddle

Pre-School
Interactive toys to develop their imagination and encourage language development

I want…

- to get ready for school by starting to learn the alphabet and counting
- my learning to be as fun, easy and exciting as can be
- to show my creativity with drawing and music so my whole brain develops

Electronic Learning Computers
Cool, aspirational and inspiring computers for curriculum related learning

I need …

- challenging activities that can keep pace with my growing mind
- intelligent technology that adapts to my level of learning
- National Curriculum based content to support what I'm learning at school
