Install the battery | Eileen der Batterie

Charge the battery | Laden Sie die Batterie auf

Place the handset in the telephone base to charge. Initial charging time: 16 hours

Important safety instructions

When using your telephone equipment, basic safety precautions should always be followed to reduce the risk of fire, electric shock and injury, including the following:

1. Read and understand all instructions.
2. Follow all warnings and instructions marked on the product.
3. Unplug this product from the wall outlet before cleaning. Do not use liquid or aerosol cleaners. Use a damp cloth for cleaning.
4. Do not use this product near water (for example, near a bath tub, kitchen sink, swimming pool).

5. Do not expose the telephone to direct sunlight or extreme cold environment. Do not put the telephone close to heating sources such as radiators, cookers, etc.
6. Do not overload wall outlets and extension cords as this can result in the risk of fire or electric shock.
7. Unplug this product from the wall outlet and refer servicing to V Tech/distributor under the following conditions:
When the power supply cord or plug is damaged or frayed. If the product does not operate normally by following the operating instructions. If the product has been dropped and the cabinet has been damaged. If the product exhibits a distinct change in performance.
8. Avoid using a telephone (other than a cordless type) during an electrical storm. There may be a remote risk of electric shock from lightning.
9. Do not use the telephone to report a gas leak in the vicinity of the leak.
10. Use only the supplied NiMH (Nickel Metal Hydride) batteries! The operation periods for the handsets are only applicable with the default battery capacities.
11. The use of other battery types or non-rechargeable batteries/primary cells can be dangerous. These may cause interference and/or unit damages. The manufacturer will not be held liable for damage arising from such non-compliance.
12. Do not use third party charging bays. The batteries may be damaged.
13. Please note the correct polarity while inserting the batteries.
14. Battery should not be exposed to excessive heat such as bright sunshine or fire and immersed in water.
15. Use only adaptors and battery listed below; Use only the provided external power supply: V Tech Telecommunications Limited. Model: VT05EEU06045 | VT05EUK06045. Jiangxi Jian Aloha Technology Co., Ltd. Model: A318-060045W-EU1 | A318-060045W-UK1. Use only the supplied batteries: Yi Yang CORUN battery CO.LTD. Model: Ni-MH AAA 400mAh 2.4VDC.

Disposal of Old Equipment and Batteries (WEEE)

Only for European Union and countries with recycling systems These symbols (a, b) on the products, packaging, and/or accompanying documents mean that used electrical and a) electronic products and batteries must not be mixed with general household waste. For proper treatment, recovery and recycling of old products and batteries, please take b) them to applicable collection points in accordance with your national legislation. By disposing of them correctly, you will help to save valuable resources and prevent any potential negative effects on human health and the environment. For more information about collection and recycling, please contact your local municipality. Penalties may be applicable for incorrect disposal of this waste, in accordance with national legislation. Product disposal instructions for business users If you wish to discard electrical and electronic equipment, please contact your dealer or supplier for further information.

Information on Disposal in other countries outside the European Union

These symbols (a, b) are only valid in the European Union. If you wish to discard these items, please contact your local authorities or dealer and ask for the correct method of disposal.

Note for the battery symbol

This symbol (b) might be used in combination with a chemical symbol. In this case it complies with the requirement set by the Directive for the chemical involved.

Recycle your device (WEEE directive 2012/19/EU)

The WEEE logo appears on the product to indicate that this product must not be disposed off or dumped with your other household wastes. You are liable to dispose of all your electronic or electrical waste equipment by relocating over to the specified collection point for recycling of such hazardous waste.

Approval and conformity

This product is intended for use within Europe and the UK. This equipment complies with the essential

requirements to EU's Radio Equipment Directive (2014/53/EU) and the UK's Radio Regulations 2017 on radio systems and telecommunication equipment. V Tech Telecommunication Ltd. hereby declares that this telephone CS2050-2051-2052-2053 is in compliance with the essential requirements and other relevant provisions of EU's Radio Equipment Directive (2014/53/EU) and the UK's Radio Equipment Regulations 2017. The declaration of conformity may be viewed at <https://www.vtech.com/rte-directive>. The symbol confirms the conformity of the telephone and the above directive.

Importer: Snow Technology GmbH, Wittestraße 30G, 13509, Berlin, Germany. Manufacturer: V Tech Telecommunications Ltd. 23/F, Tai Ping Industrial Centre, Block 1, 57 Ting Koch Road, Tai Po, Hong Kong.

Product Warranty

Thank you for purchasing this cordless phone from V Tech.

1. The product is covered by a one year warranty from the date of purchase (date from which the warranty period starts), against any defects in materials or workmanship
2. The product may be returned to the place of purchase. Alternatively the product can be returned to Snow Technology GmbH (Address: Wittestraße 30 G 13509 Berlin, Germany), with proof of purchase, without proof of purchase no replacement will be provided.
3. During the limited warranty period, V Tech's authorized service representative will examine the product and if it is found to be defective due to faulty materials or workmanship, will replace the product at their discretion
4. If the product covered by this warranty is damaged due to misuse, modification or unauthorized repair, or because of faulty batteries, battery discharge or incorrect electrical connections, then this warranty becomes void.
5. This warranty is personal to the original purchaser and is not transferable.
6. Breakages to the LCD screen are not covered by the warranty.

Please retain your original sales receipt as proof of purchase. To obtain warranty service, please visit our website at <https://euphones.vtech.com>.
