VTech 80-192300 Prance and Rock Learning Unicorn

INTRODUCTION

Thank you for purchasing the Prance & Rock Learning Unicorn™. The unicorn easily transforms from a rocker to a ride-on. The two chunky handles are easy for toddlers to grasp when riding on the unicorn. Press one of the two light-up buttons to learn about colors and to hear playful songs and imaginative phrases. Rocking or riding on the unicorn triggers the motion sensor which responds with fun melodies and sounds.

INCLUDED IN THIS PACKAGE

One Prance & Rock
Learning Unicorn™

Four wheels

Two handles

One back link bracket

Two rockers

One front link bracket

8 small screws

Two plastic screws

- One sticker sheet
- One parent's guide

WARNING: All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE: Please keep this parent's guide as it contains important information.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned OFF.
2. Locate the battery cover on the back of the unit. Use a screwdriver to loosen the screw.
3. Install 2 new AAA (AM-4/LR03) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure it.

BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) rechargeable, or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in a fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

WARNING!

- Safety comes first with the Prance & Rock Learning Unicorn™: Adult assembly required. The maximum weight limit is 42 pounds. Children over this weight should not use the ride-on. Not to be used by children over 36 months. Insufficient strength. This product includes electronics and is not waterproof.
- This package contains eight small screws. For your child's safety, do not let your child play with the toy until it is fully assembled. This toy should be used in a safe area, for example, indoors, on flat level surfaces, and away from any hazards such as cars, stairs, water, etc.
- Not for use on sidewalks, on pavement, or near traffic.

- Adult supervision is advised.
- Regularly check if the eight screws are securely tightened to link the brackets and rockers.

Please place the stickers on the unicorn securely as indicated below:

ASSEMBLY INSTRUCTIONS

1. Insert the four wheels into the two rockers as shown. You will hear the wheels click into place to indicate they are attached securely.

2. Insert the front link bracket and the backlink bracket onto the inside of the rockers. Secure the brackets to the rockers with the small screws provided.

3. Insert the Prance & Rock Learning Unicorn™ onto the support brackets as shown.
4. Insert the two plastic screws into the holes in the front link and backlink brackets. Turn the screws clockwise to secure. You will hear the locks click into place to indicate they are attached securely.
5. Insert the two handles into the sides of the unicorn's head. You will hear the handles click into place to indicate the handles are attached securely. Once the handles have been attached, they cannot be removed.

TRANSFORM FROM ROCKER TO RIDE-ON MODE

- To change the unicorn from rocker mode to ride-on mode, press and hold the lock next to the plastic screws and turn the screws counterclockwise. Remove the rocker panel and turn it over so the wheels are on the ground. Reinsert the two plastic screws into the holes in the front link and backlink brackets. Turn the screws clockwise to secure.

PRODUCT FEATURES

1. On/Off/Mode Selector

To turn the unit On, slide the On/ Off/Mode selector to the Learning & Music mode  or the Adventure mode  position. You will hear a playful song and a friendly phrase. To turn the unit Off, slide the On/Off/ Mode selector to the Off  position.

2. Volume Switch

To adjust the volume, slide the Volume switch to the Low Volume  or the High Volume  position.

3. Automatic Shut Off

To preserve battery life, the Prance & Rock Learning Unicorn™ will automatically power down after approximately 45 seconds without input. The unit can be turned on again by pressing any button, or by turning the spinner on the unicorn's head.

ACTIVITIES

1. Light-Up Buttons

Press the Light-Up buttons to learn about colors and to hear fun songs and music in Learning & Music mode. In Adventure mode, you will hear playful phrases, sounds, and songs. When a melody is playing, press the Light-Up buttons to play the melody one note at a time. The lights and horn will flash with the sounds.

2. Spinner

Turn the Spinner to hear fun sounds and short tunes in both Learning & Music mode and Adventure mode. The lights and horn will flash with the sounds.

3. Motion Sensor

Rock or ride the unicorn to activate the Motion Sensor. In Learning & Music mode you will hear playful melodies. In Adventure mode, you will hear a variety of fun sounds. The lights and horn will flash with the

sounds. The faster you ride, the faster the lights will flash.

PRODUCT WARRANTY

- This Warranty is applicable only to the original purchaser, is non-transferable and applies only to "VTech" products or parts. This product is covered by a 3-month Warranty from the original purchase date, under normal use and service, against defective workmanship and materials. This Warranty does not apply to (a) consumable parts, such as batteries; (b) cosmetic damage, including but not limited to scratches and dents; (c) damage caused by use with non-VTech products; (d) damage caused by accident, misuse, unreasonable use, immersion in water, neglect, abuse, battery leakage, or improper installation, improper service, or other external causes; (e) damage caused by operating the product outside the permitted or intended uses described by VTech in the owner's manual; (f) a product or part that has been modified (g) defects caused by normal wear and tear or otherwise due to the normal aging of the product; or (h) if any VTech serial number has been removed or defaced.
- Prior to returning a product for any reason, please notify the VTech Consumer Services Department, by sending an email to vtechkids@vtechkids.com or calling 1-800-521-2010. If the service representative is unable to resolve the issue, you will be provided instructions on how to return the product and have it replaced under Warranty. Return of the product under Warranty must adhere to the following rules:
- If VTech believes that there may be a defect in the materials or workmanship of the product and can confirm the purchase date and location of the product, we will at our discretion replace the product with a new unit or product of comparable value. A replacement product or parts assumes the remaining Warranty of the original product or 30 days from the date of replacement, whichever provides longer coverage.
- THIS WARRANTY AND THE REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REMEDIES AND CONDITIONS, WHETHER ORAL, WRITTEN, STATUTORY, EXPRESS OR IMPLIED. IF VTECH CANNOT LAWFULLY DISCLAIM STATUTORY OR IMPLIED WARRANTIES THEN TO THE EXTENT PERMITTED BY LAW, ALL SUCH WARRANTIES SHALL BE LIMITED TO THE DURATION OF THE EXPRESS WARRANTY AND TO THE REPLACEMENT SERVICE AS DETERMINED BY VTECH IN ITS SOLE DISCRETION.
- To the extent permitted by law, VTech will not be responsible for direct, special, incidental, or consequential damages resulting from any breach of Warranty.
- This Warranty is not intended to persons or entities outside the United States of America. Any disputes resulting from this Warranty shall be subject to the final and conclusive determination of VTech.
